READ—the following paper :—

From J. ANDREW, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated 20th April 1896, R.C. No. 223.

I have the honour to state that, consequent upon the recent removal of the Taluk office at Musiri to a new building, the old one has become practically vacant. The District Board requests that this building be made over to the Musiri Taluk Board to be used as a public chattram on the following conditions :—

- (1) that it should be kept in a proper state of repair ; and
- (2) that it should be made over whenever required by Government.

2. I support the request. There is great need for a chattram at Musiri. Being the head-quarters of a Tahsildar and a Head Assistant Collector, a large number of people visit Musiri daily. Very near it is the town of Kulittalai, in which there is a District Munsif's Court. This Court exercises jurisdiction over the whole of the Musiri taluk. Kulittalai is also on the line of railway. Consequently, people from the various parts of the Musiri taluk often go to Kulittalai through Musiri where they generally halt. There is not sufficient proper accommodation for visitors in Musiri.

3. There is at present a chattram at Musiri. This belongs to a private individual. It provides no accommodation for the public, being solely intended for the purpose of feeding a few Brahmans. Further, it is very small.

4. The building in question is large and well suited for the purpose of a public chattram. I addressed the Executive Engineer as to whether it was needed for any Government purposes, and he says that it is not.

5. I submit a sketch of the building in question, prepared by the Tahsildar of Musiri. The extent of the whole compound is 97 cents, but only 77 cents are needed for the proposed chattram. The remainder, as marked H I K L in the sketch, provides ample space for the Police station.

6. If Government is pleased to view the request with favour, steps will be taken to provide accommodation for all classes of people, including Muhammadans and Paraiyas.

7. I enclose copies of resolutions passed on the subject by the Taluk and District Boards.
