Enclosure 2 to letter No. 50 dated 29.5.96.

1531/96

Nilgiri District Board's Office.
Ootacamund, 29 May 1896.

Ref. No. 50
Local & Municipal Dept.
CURRENT No. 1531

From

The Honble J. D. P. Esq., C. J. E.

President
District Board
Nilgiris.

To,

The Chief Secretary to Government
Local and Municipal Deptt.,
Madras.

Sir

I have the honour to request, at the instance of the District Board, copy of whose Resolution is enclosed, that Government will be pleased, on the ground of administrative necessity to accord sanction to the re-organization of the executive machinery of the Local Fund Public Works establishment, in this District as particularized in the accompanying Proposition Statement.

2. The establishment was reduced during the latter half of 94-95, so as to bring the cost of supervision within the statutory limit of 20 per cent which was recorded in the two previous official years, Vide para 4 of the President's Budget Report reviewed by G.O. No.

No. 343 L. dated 2nd March 95.

3. Under this revised Scheme, the District is at present divided into three Sub-Divisions. Viz Coonoor, Ootacamund and Ludalur with an overseer in charge of each division assisted by a resident Sub-overseer for work in the remote portions of the Ootacamund Sub-Division.

4. In the light of experience gained during, a little more than one full year and a half since revision, the District Board has no hesitation in pronouncing an opinion in which I fully concur, that the executive Staff, as at present constituted, is insufficient to cope with its work, and that some slight deterioration in communications has resulted, owing to want of closer supervision on the part of overseers, for whom their Ranges have proved too large for efficient control and management of works, which lie scattered about in different directions and in remote places. Though the District is small travelling ~~is~~ it is admittedly slow, difficult and expensive, at any rate in some portions.

5. It is therefore considered very desirable to reconstitute the Kotagiri Sub-Division, with its previously existing Scale of Establishment consisting of an Overseer on a Salary of Rs 60 plus Rs 30, average amount of Travelling allowances a Clerk on Rs 20, and a Lascar on Rs 8.

6. The District Board will then be divided into

four Sub-Divisions and the Overseer's Charge will be more compact and manageable and with consequent re-distribution of work, a more satisfactory state of things should prevail.

7. The additional cost involved would be Rs 1420, but the total cost of establishment will fall within the prescribed limits of 20 per cent, in consequence of the assumption of 25 1/2 miles of the Ludalur-Hanjitri Road, which has brought with it a Special of Rs 7650 from Provincial Funds and for which no additional Establishment is to be entertained.

8. Funds can be met from the Reserve of Rs 5400 provided in the Budget for 1896-97.

9. The reductions of 94-95 were made at my instance the cost of Supervision being then excessive. They were admittedly tentative. No material deterioration has yet taken place in communications, but I anticipate that such will result unless assistance is rendered in Kotagiri Division, which I have lately visited.

I have the honour to be
Your most Obedient Servant.
