Order No 112 mis 21-1-96

Recorded with the following remarks:—

(1) The cost of carting light soil should have been debited to Grant III 5(a) ii - other charges, and not to (b) iii - Contingencies

(2) The Council has evidently misunderstood the remarks of Government in para 3(4) of G.O. No. 1446 in 5.9.95. The present mode of assessing the private scavenging fees can be altered in the manner pointed out in G.O. No 1148 in 24.8.94 without raising the fees. This should be done without further delay.

To

The Honorable The Chief Secretary

to the Government of Fort Saint George,

Madras,

(Local and Municipal Department.)

~~Through the Head Assistant Collector and the Collector of Tanjore.~~

SIR,

Submitting to G. O. No 1445 in dated
 5th September 1895, I have the honor to
 report as follows on the various points
 therein calling for further information.
Para 3. (3). Fall in the Sale proceeds of Street
Sweepings. - The decrease under this
 head was due to the recovery during
 the current official year of Rs 140 a portion
 of the Sale proceeds of the Bangalore Street
 Sweepings of 1894/95. The past year ought
 to get credit for this amount.

2. Para 3 (4) whether Cost of Carrying away
night Soil has been debited to the Private
Sewering System, -

The Cost of Seaming Carbs is Shown
under "Grant III - 56 III. Public Labine -
Contingencies Such as Cost of Seaming
Carbs &c. The Cost of private Seaming
Service was only Rs 2220. In this the
Cost of the light sail Carbs is not included.
The System was thus not worked
at a loss to the Municipality as
observed by Government.

3. Para 3 (4) - Why the mode of assessing
private Seaming fees remained
unaltered.

The Council observes that the fee
was raised from one to two annas
per man during the Official
year 1892/93 and that it is now too
soon to raise it still further. Endeavours
are being made to popularize
the service, and a further increase
will retard the movement.

Para 4 (2) How a reduction in the cost of
educating pupils in the Mohomedan School
Dagore may be effected.

This School is specially intended
for the education of the Mohomedan
boys who are backward in their
education. The cost in such schools
is generally large as lower fees
are levied from them. The
strength of the school is fair, but
the average attendance is
comparatively low. The teachers
have been warned that their
salaries will be reduced unless
they improve the strength and
attendance. I hope that there
will be a reduction of charge
this year.

Para 4 (3) Appointment of a
Separate Midwife for the Dagore
dispensary.

The Council has resolved
to make a provision in the budget
of the ensuing Official year
for entertaining a separate
Midwife for the Dagore dispensary.

Para 4(3) Revision of the hospital
 Staff and improvement and
 extension of the hospital building.
 This subject will be considered
 along with the budget for 1896-97
 and a report submitted as
 required by government.
