Sir,

In forwarding herewith copy of a Resolution of the District Board passed at its meeting held on the 15th February 1896, I have the honor to request that Government may be pleased to sanction the Ramzan holidays in lieu of privilege leave to the Moplah Inspecting Schoolmasters in this District under the circumstances explained below:—

In G.O. $\frac{406 L}{6-3-95}$

2. In Government Notification embodied in G.O. dated 19th February 1895, No 126 Public, Government has sanctioned

only

only two days for Ramzan, but in accordance with the Educational rules all Muhammadan Schools in the District are closed for 32 days for the above festival. The Moplah Inspecting School Masters consequently will not have any work during the period and the Inspector of Schools suggested that they may be given leave during that period. As the holidays commenced from the 14th February, I have in anticipation of approval sanctioned the Inspector's suggestion, and to request that Government may be pleased to approve of my action.

Sir,

In returning Endorsement No 372 Local & Municipal dated 21st March last I have the honour to state that the proposal of the President, District Board, Malabar, to grant the Ramzan holidays annually to the Inspecting Schoolmasters in lieu of Privilege leave, appears to be in conflict with the provisions of the Civil Service Regulations, in as much as Privilege leave can be granted only to an officer who satisfies the conditions of article 291 a. If the President's proposal is approved, an Inspecting Schoolmaster who is not eligible for

for the leave will enjoy the Ramzan holidays. I would therefore suggest that Privilege leave be granted to the Inspecting schoolmaster, who is entitled to and who is really in need of it, only during the Ramzan period, and that those who are not entitled to privilege leave and who do not need it may be required, since they have no inspection work, to do duty for the time in the Offices of the Sub-Assistant Inspectors of schools, assisting the latter in the preparation and despatch of certifying memoranda. Towards the end of the official year temporary clerks are invariably employed in these Offices for the speedy despatch of business. This expense would be saved if the services of the Mappilla Inspecting schoolmasters were utilized in the way I have recommended.

I have the honour to be,
