CURRENT

From

The Chairman, Municipal Council,
Ongole.

To

The Chief Secretary to Government
Fort St George, Madras.

Through

The Sub Collector,
Bellary.

Sir,

With reference to the report called for by
Government in paras (4) Expenditure (4) Vaccination
and Vital Statistics of G. O. No 1487 M Local
and Municipal dated 13th September 1895, receiving
the annual report of this Municipality for the year
1894-95, I have the honor to submit that it
is almost impossible to increase the number persons
vaccinated annually or to reduce the cost per person
done

1894-95 was Rs 3500 or 31.028 per mile of the population

402 3040/77

and it is not therefore possible that many cases
escaped registration. At the very best it is not
possible to expect more than 400 cases a year. The
number of cases successfully vaccinated in 1895-96
was 422. (387 per mille)

3. As regards cost the expenditure per annum
is as follows:—

1. Vaccinator on Rs 12 per month	Rs 144-0-0
Contribution for lymph to the District Board	Rs 40-0-0
Contingencies	6-0-0
Total	Rs 190-0-0

and the cost per case cannot therefore be reduced
below Rs 0-7-7 making 400 as the maximum number
of cases. The comtee proposed in their resolution no ²³¹/₁₁₋₁₋₉₆
to amalgamate the office of registrar of Births and
Deaths and Vaccinator in order to reduce the cost, but
Government in their order no 358 M. M. dated 2nd
March 1896 declined to sanction this arrangement.

I have the honor to be

Sir,

Yours most obedient servant

Chairman, Delegation
