Memo

The Council budgetted Rs 400 for the purchase of a site in Kottapet to be used as burning & buri ground in place of the present one which is sai to be very near to dwelling houses & in which there is also very little space for the purpose. The Counc took this step on the Mahazar petition presented by the inhabitants of Kottapett. In the current year, a sub Committee was appointed to select a suitable site for the purpose, and after many consultations it reported the advisability of purchasing one S Chengali's field far away from the petta & in ever way adapted for the purpose. Accordingly the Council bought the field and it was registered in the name of the Council. Now under section 240 of the Act, notice will have to be given to the public of Kothapeta, with the approval of his Excellen the Governor in Council that the present burial & burning ground will be closed two months from the date of the issue of notice, ~~that~~ another ground ~~being~~ having been selected for their use, they should from that date, use it for the purpose & that if any should use the present burial & burning ground for this purpose after that date, he would be prosecuted under the same section. This notice will have to be given publicly in the ~~Department~~ District Gazette, & by beat of tom-tom. Council is requested to resolve that a notice be issued for the purpose under the section

Sir,

In obedience to your official memorandum No 512 dated 5th May 96, I have the honor to submit a sketch plan showing the existing burial ground and another indicating the proposed one. The question of altering the present burial ground was taken up by the Council on the Mahazar petition of the inhabitants of Kottapet who objected to the use of the existing place for burial and burning purposes any longer on the grounds that is very close to the inhabited ~~quarters~~ of the petah owing to its extension in recent years, that it is too small in extent and therefore inadequate to serve the purpose properly, that it is so very near to the petah that the stench proceeding from the cremation of dead bodies is felt by them [illegible]rably and that dogs bring into the houses the skulls &c [illegible] dead from its vicinity to them. The Mahaz[illegible] was referred to a Sub-Committee wh[illegible] endorsed the statements of the petitioners [illegible] recommended the abolition of the existing burial ground as early as possible and the adoption of another site far away from the petah for use as a burial ground. On these recommendations, the Council bought the site which Sub Committee itself recommended, the funds required for the purchase having been budgeted in 1895-96. The site bought suits well the purpose for which it is intended.

I beg to state that the site selected has had the approval of the Civil Surgeon of this station who was a member of the Sub Committee above referred to: but the matter was not referred to the District Medical and Sanitary officer.

I have the honor to be,
Sir,
