3. The District Board itself being competent—
under clause 2, Para. 1 of G. O. no. 889 d, dated the
14th May 1894, to sanction allotments from Reserve
without any limit, the submission to Government
of the usual application in the prescribed form
for sanction of allotment of funds is apparently
unnecessary.

During the latter half of the year the S.W. monsoons completely failed and the locality became so unhealthy that it was difficult to obtain labour and push on with work, and hence the present lapse occurred.
