Letter from G. F. Welch Esquire, M. T. C. B., dated 16th June 1896:-

As it appears likely that I shall soon get the establishment for the City-Water-supply improvement work, I have the honour to enclose a statement of stationery &c. required.

The non-perishable and unused materials shall, of course, be returned on completion of the work.

I would ask that the articles may be sent to the Municipal office Cotacamund.

The indent is passed.

The articles of stationery will be supplied by the Superintendent of stationery, and the Examiner, P. W. Accounts will supply the Cash Book and such forms of account as are required to be rendered by an officer of the Public Works Department engaged on special survey work.
