To.

The Honorable J. F. Price
Chief Secretary to Government Madras
Through the Collector of Vizagapatam,

Submitted

[illegible] Collr 13/6/96

Sir,

With reference to para 3(4) of G. O. No. 438 M, dated 16th March 1896, I have the honor to submit that the additions and alterations in the Conservancy and Private Scavenging establishments therein sanctioned were brought into effect from the 1st May last and the whole Conservancy staff struck work from the 2nd to the 4th idem saying that they would not resume their duties if any alterations and reductions were made in their establishments. In consequence of which the roads and latrines were not cleaned and drains flushed for two days. I at once proceeded to their village sent for the ringleaders and prevailed on them in many ways to bring them to terms but they remained obdurate. I had therefore no other alternative but accede to their request. I told them to resume their duties at once and they accordingly did so pending the decision of the Council on their request. The subject was placed at a meeting of the Council held on the 5th May and it was resolved that the matter be referred to a sub Committee to concert measures to conciliate the establishment. The sub Committee tried its best to persuade them to work with the reduction in the road cleaning staff, but to no effect. It was, therefore, resolved at a meeting of the Council held on the 21st May, that the establishment maintained in 1895-96 be retained for the current year. An extract from the proceedings of the Council is herewith forwarded. A revised proposition statement is also submitted. It will be seen from the above that the cost of conservancy staff exceeds the budget provision by Rs. 152-0-0 monthly or Rs. 1824-0-0 annually. This sum can be met from the Budget balance of Rs. 4180-0-0 & the necessary application for allotment will be submitted shortly.

Conservancy Staff Rs. 135½
Road Scavenging Staff Rs. 16½
152-

The recommendations of the Sanitary Commissioner with regard to increasing the number of totis in the public Sanitary department will be practically given effect to as some of the sweepers will be made to clean public latrines.

I therefore, beg that you will be so good as to obtain the Sanction of Government for the revised proposition statement.

I have the honor to be
Sir
Your most Obedient Servant
P. Suryanarayana
Chairman M.C.
