pounder Vaniyambodi Dispensary, Salem District.

ing and attentive subordinate. He dresses Minor Surgery
cases well.

der at Branch Dispensary has given me every satisfaction.

tant Surgeon in 1869 he was employed as Municipal
Vaccinator and has given me every satisfaction.

25th April 1883, } (Sd.) W. S. FOX SURGEON,

7. A. Authikasavom Compounder. He is a good care-
ful and willing subordinate and resigned his post owing
to the ill feeling between him and some of the Dressers.

27th September 1888, } (Sd.) J. LANCASTER, MAJOR,
VELLORE. } Dist. Surgeon.

That he was Compounder in the Municipal Dis-
pensary at Vaniyambodi from May 1893 to October 1895
when his services were dispensed with merely on the re-
port of the Hospital Assistant that the petitioner was
inefficient.

2. That he appealed to the Municipal Council who de-
clined to interfere as Professional men found the petitioner
inefficient. The petitioner respectfully submits that this
Hospital Assistant was the only individual who reported
against him. The petitioner had no opportunity to explain
the circumstances under which the Hospital Assistant
made such a report. He leaves it to your Excellency how the
report of an Hospital Assistant can be relied on when
the gentlemen noted in the margin under whom the
petitioner served had been pleased with his work as will
be seen from the copies of testimonials attached.

3. That your humble petitioner has been a compoun-
der for 16 years & has served in North Arcot, Anantapur,
and Salem Districts.

4. That the petitioner was appointed as Compounder
at Vaniyambodi by J. C. Hall Esquire of District Sur-
geon, Salem, as that gentleman was pleased with my
work at Uravakonda in the Anantapur District while he
was District Surgeon in that District.

5. That this Hospital Assistant had previously spoken
well of my abilities to Surgeon Major Harrison, District
Medical Officer when that gentleman inspected the Dis-
pensary.

6. That the Hospital Assistant was not in the habit of
writing the Nominal register and the prescription book
every day. He used to write it from memory just before
inspections, consequently the petitioner preserved many
prescription tickets left by patients so that they may be a
safe guard to him if he is called upon to explain the defi-
ciency if any, in the stock of medicines.

7. That the Municipal Chairman passed certain remar-
ks against the Hospital Assistant in connection with these
Register and he has in consequence been transferred.

8. That the Hospital Assistant entertained ill feeling
against the petitioner as he thought that it was the pe-
titioner who gave information to the Chairman and took
vengeance upon him by noting in the remarks column of
the administration report that the petitioner was inefficient.

9. That no commissioned Medical Officer was consul-
ted about the petitioner's efficiency or otherwise.

10. The petitioner therefore respectfully prays that your Excellency will be graciously pleased to direct the District
Surgeon of Salem or the Medical Board at Madras to examine the petitioner and certify as to his efficiency or fitness.

11. In conclusion the petitioner respectfully prays that he may be restored to his appointment in consideration of his
long service and the continuous good work done by him during the period.

For which act of kindness the petitioner will ever feel highly grateful.

He begs to remain,
Most Honored sir,
Your most obedient and humble servant,

22nd June 96
