instructions

1. A nominal roll of coolies employed will be dispensed with.

2. An account in the annexed form must be submitted showing for each mile and furlong the quantity of metal or gravel collected on the road side and the quantity spread.

3. An annual allotment of Rs 500 will be made for the Devikulam ghât road and the amount will be paid in two instalments. The first instalment amount of Rs 250 will be paid as an advance to the gentleman to be selected by the Kanan Devan Planters' association. As soon as the advance is expended the account referred to in the preceding para should be submitted as a voucher to the supervisor who will at once recoup the amount.

4. No advance should be asked for until it is intended at once to begin work on the roads and the prescribed account should be rendered not less often than once a month even if the advance be not entirely expended. It will then serve as a Progress Report.

5. The gentleman thus undertaking the repair of the road will be requested to append to the account a certificate in the following form:-

"I certify on honor that materials have been actually collected and spread as shown in the above account and that the work done is a fair return for the money spent."

6. The work will be inspected by the Supervisor concerned or some other member of the L. F. Engineering Estab- and account No 2 should bear a certificate from such officer to the effect that he has inspected the work

Resolution No 3

Read letter from the Dist. Board Engineer, Madura, No. 926/7.9.95 recommending that so far as the pack beast paths in this District are concerned, the system of accounts adopted by the Malabar Dt. Board for maintaining the pack beast paths in that District may be followed with advantage, and that sanction of Government therefor may be obtained.

Also further correspondence on the subject.

The Dt. Board approves of the proposal and will address Government on the subject after receiving the consent of the Dindigul Taluk Board.

No. 24

MADURA DISTRICT BOARD OFFICE,
18th February 1896.

From

J. Twigg Esquire,
President, District Board,
Madura.

To

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

In forwarding herewith copy of Dindigul Taluk Board's resolution No. $\frac{226}{29.1.96}$ and of District Board's resolution No. $\frac{3}{20.1.96}$ approving of a set of rules for the maintenance and upkeep of the pack-beast paths in this District, I have the honor to request that Government will be pleased to sanction the adoption and introduction of the rules in this District with effect from 1st April next.

2. Devikolam ghat road is the only pack-beast path at present under maintenance by the L. F. Board in this District. The Kanan Devan Planters' association which is most interested in the upkeep of the road and which is maintaining the road under contract with the L. F. Board, is not satisfied with the present system of having the annual estimates prepared for the road long before its actual needs can be ascertained. The Dt. Bd. Engineer who inspected the road found that at present money is being wasted in working to the estimates framed beforehand, and reports that the proposed rules which are similar to those in force in Wynad will work better and that the planters have no objection to the introduction of the same.

3. The provision for the security of the L. F. money advanced and the check measurement of the works carried out by planters, I consider to be sufficient.

I have the honor to be
Sir,
Your most obedient servant,

N. Carmichael

Sir,

With reference to the Acting Assistant Secretary's Endorsement No. 354 dated the 19th March 1896 referring to me for remarks a letter from the President, District Board, Madura, forwarding for approval a set of rules for the up keep of pack-beast path in his District, I have the honor to state that I see no objection to the proposed system, which is similar to what is known as the Cuddapah A. system, being given a trial. The rules should, however, provide for the work being inspecte by the local Engineering staff at least once every 2 or months.

2. A reference to Malabar, where a similar system was stated to be in force, has

has delayed this reply.
