Order No. 1178 Dated 26/6/96

The following are the only two roads lying in this Presidency:-

- (1) Road from Davangiri to Kottur in the Bellary district.
- (2) Road from Rungapuram station to Rungapuram village in the Kurnool district.

As regards the first, the Resident in Mysore, who recommended its construction, has been informed recently that the district Board of Bellary was unable for want of funds to undertake it, that, as a suggestion to construct a railway through the track of country, which the proposed road is intended to serve, is at present under consideration, the Govt. was not prepared to construct it from Provincial funds, and that it is hardly reasonable that by far the larger portion of the cost of diverting trade away from British territory - a result which would be achieved by the construction of the proposed road - should be met by this Govt. The President of the district Board, Kurnool will be requested to report, at an early date, the action which the Board proposes to take for constructing the second road from Rungapuram station to the village of
