from the Advocate General

FOR ORDERS.

I think that, as difficult legal questions are involved, we had better get the opinion of the Adv. Genl. He is up here & can let have his opinion than.

W
17/6/96

I think we may not have for the papers to the R4 Dept. for refer to India, with an expression of concurrence in the Adv. Genl's opinion that the R4 should pay compensation to the Dist. Bd.

W
24/6/96

The facts of the case are fully and clearly stated in the President's letter.

The question seems to be whether Madras Act II of 1890 (Canals & Irrigation Act) which received the assent of the Governor General in May 1890 can over-ride India Act IX of 1880, which received the Governor Genl's assent in March 1890. In this connection please see H M's note in G.O. 1164 L of 23.6.94, marked with red tape. Submitted that the question may be referred to India for orders.

W
15/6/96

The Advocate General's ^{is perhaps} opinion, in which he states that compensation must be paid for the right of ferry acquired for public purposes by a company, as it must be acquired under

Gadavari District Board's protest against
the establishment of a ferry at Rajah-
mundry by the East Coast Railway
Administration.
