From
Mr. J. Ly. P. S. Singaravelu Pillai Esq.
Chairman, Municipal Council,
Trichinopoly

To The Collector of Trichinopoly.

Sir I have the honour to request you
to be good enough to ascertain from Govern-
-ment and let me know whether, and if so
when, the Town of Trichinopoly is to be
surveyed. I consider it my duty to res-
-pectfully point out that the tendency
to encroach on roads and open spaces
is very great. It is done so insidiously
that discovery is not easily practicable
- especially with no land marks to sug-
-gest a base. I must confess that the
Municipal subordinate establish-
-ment consists mainly of men with
local interests, and associations
due to long service. I have not much
confidence in their integrity in the

matter of bringing to notice Cases of encroachment. In a few Cases of the most glaring kind, even when a Magisterial Enquiry resulted in the Conviction of the alleged offenders, the Civil Courts have declared against the Municipality, because the plaintiffs were able to prove that they had exercised occupancy right for over 12 years - a point that could not be rebutted by the Municipality. It has become necessary to exercise the greatest Caution and Judgment in running in people for encroachment, though there can be no possible doubt, as a personal inspection would show, that there are encroachments everywhere.

2. If there is much delay I fear, when the drainage system is taken in hand, the outlay

in the way of acquiring land will be enormous.

I have &c.

Local & Municipal Dept.
CURRENT No. 1909 M

From J. Andrew Esq.,
Collector of Tirichinopoly,

To The Chief Secretary to Government,
Local and Municipal Dept.,
Madras.

Sir,
I have the honour to enclose
a copy of letter No. 1846^{11.6.96} addressed
to me by the Chairman, Municipal
Council, Tirichinopoly requesting
me to ascertain from Government
when the town of Tirichinopoly is likely
to be surveyed, and to state that
I entirely agree with him as to the
necessity for such survey being
carried out as early as prac-
-ticable. In this connection I
beg to invite the attention of Govt
to my letter Dis. No. 2703^{27.11.95} to the
Chairman about encroachments
referred to in my endorsement Dis.
No. 743^{29.4.96} with which I submitted to

Government the Chairman's letter to
21 on the subject of the drainage
23-4-96

Scheme and to state that I consider
that the sooner the town is surveyed
and mapped the better. Encroach-
ments are daily made in spite of
all precaution and it is extremely
difficult to prevent them under the
existing state of things. When once
the streets and lanes are surveyed
and mapped in detail, it will
become much easier to obtain
convictions of persons who now
successfully encroach on public
streets. Cases of encroachments are
very liable to be and are thrown
out by the Magistrate, because
they now have only oral testimony
upon which is often most interested
and unreliable the neighbours
being usually ready to help the
encroacher.

2. I venture therefore to strongly
recommend to Government that
Trichinopoly which is the largest
mofussil municipality be the next
town to be taken up
