The Collector of
Coimbatore

Sir,

With reference to endorsement, No 953
of 1896, on G. O. No 303 M., dated 20th Feb
1896, I have the honor to state that I have
on personal inspection and in consultation
with the Chairman, selected 6 sites suitable
for construction of latrines in different
localities of the town.

2. Recourse to the provision of Act I of 189
will, I fear, have to be had in almost all
the cases.

3. No attempts appear to have been
made hitherto by the Municipal Council
to obtain sites either with or without the
Deputy Collector's help.

I have &c

From the Collector of Coimbatore.

FOR ORDERS.

The year 1893-94 having closed with a deficit of Rs. 2,239, the Government in its review of the administration report (G.O. No. 1195 M, dated 4th September 1894) remarked that if the Council was unable in 1894-95 to make good this deficit after incurring in full the expenditure budgeted for, it would probably be necessary for Government to consider the necessity for the imposition of the tax on arts. Meanwhile the Chairman in his budget letter for 1895-96 expressed his individual opinion that, unless this tax is imposed, it would not be possible to meet the wishes of the inspecting officers and to maintain the town in a tolerable state of sanitation. The Collector was also of the same opinion-Vide para. 12 of his endorsement in G.O. No. 254 M dated 16th February 1895. On this however the Government remarked that the question would be considered when the report

for

for 1894-95 ^{was} ~~is~~ reviewed. As this report showed that efforts were made to improve the finances of the Municipality, no action in the matter was considered necessary--Vide G.O.No.1807 M,dated 31" October 1895. In the budget for 1896-97 the Deputy Collector and the Collector advocated the imposition of the tax with greater force than in the previous year and the Government in its review fully concurred in their views and asked the Chairman to report the Council's decision on the question, stating at the same time that many urgent municipal wants cannot be carried until more funds are available--Vide para 3 of G.O.No.303 M.dated 20" February 1896.

On this the Council by a majority of 9 against 3 decided that it is not necessary to impose this tax (Vide Council's resolution recorded in G.O.No.752 M dated 4" May 1896). The Collector considering this resolution to be unsatisfactory ^{forwarded it to Govt. & at the same time said that he had} called for a report from the Divisional Officer's report, from which it is apparent that the Council has made no real efforts to obtain sites for latrines.

As the tax on arts is levied in several towns of less importance and size ^{including Erode} ~~than Coimbatore~~, there is no reason why it should not also be levied in this Municipality. It is therefore submitted that the Council may be asked under Section 49 to

show

on the subject of providing sites for latrines. The letter read above is the Divisional Officer's/

show cause why it should not be imposed.

13/2 16/4/96 There appears to be no reason why the tax should not be levied except that the Council is averse to additional taxation. Money is wanted badly for improvements to the town.

19/6-96 I cannot imagine how for a long period all the Municipalities in the Comblation District escaped the tax on Arts & professions. The points attracted my attention some considerable time ago and I searched in vain for any reason. Govt. has more than once intimated at the imposition of the tax in the three Municipalities which exist in the district but the Councils always manage to evade the tax until recently when Erode was brought to book after an infamous resistance.

Comblation wants money; there is plenty to do with it there and Govt. should I submit impose the tax without further delay. It exists in almost every Municipality in the Presidency.

22/6/96 I agree - But as a great row will probably be made about this, let H.E. see

23/6/96 I think the M.C. should be directed in the terms of Section 49 of Act No. IV of 1884. 25-6-96

ORDER. No 1189 Mmis of 15/7/96.

The Government cannot accept the Council's ^{new} ~~decision~~ that it is not necessary at present to ^{impose} ~~the~~ the tax on Autos. ^{which} ~~This~~ tax is levied in almost every other Municipality in the Presidency; there is no reason why it should not be ~~levied~~ in Coimbatore, where funds are urgently needed for sanitary & other reforms which are being put off from year to year ^{on account of} ~~the~~ want of ^{fund} ~~money~~. The Municipal Council will therefore be required under sec. 49 of the Dt. Municipalities Act IV of 1884 to show cause within one month of the date of receipt of this order, why their tax should not be ~~levied~~ imposed in Coimbatore (from order).
