To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

SIR,

In returning the papers referred to me with your endorsement No. 656, dated the 13th June 1896, I have the honour to state that the Medical Staff at present at Cochin consists of a Medical Officer in charge, a 1st Class Hospital Assistant in subordinate charge and two doing duty Hospital Assistants. It is, however, always usual to post one doing duty subordinate to the station, who works at the hospital. The necessity, therefore, for a second Compounder is not obvious as the doing duty Hospital Assistant is always available for the purpose.

2. In Bellicherry, where the daily average is 137.81, there is but one Compounder and no complaint has ever been made regarding the inadequacy of the Staff.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Sibthorpe

To,

The Chief Secretary to Government.

Madras.

Sir,

The Acting Civil Surgeon in Charge of the Municipal Hospital, Cochin, having in his letter No. 96 dated 15th instant intimated that a single compounder is not capable of attending to the patients as the attendance has considerably increased of late and suggested the appointment of an additional Compounder on Rs. 7 per month, I have the honor to report that I laid the letter before the Council at a meeting held on Friday the 22nd instant. An Extract from its Proceedings together with a copy of the Acting Civil Surgeon's letter and the usual proposition Statement are herewith submitted for approval & sanction.

I have the honor to be,

Sir,

No 96.

Cochin, 15th May 1896.

The Chairman
Municipal Council
Cochin.

Sir,

I have the honor to bring to your notice that one Compounder is not capable of attending to the patients, the attendance having considerably increased of late.

2. The late Civil Surgeon, Surgeon Major Pemberton remarked in his reports about the subject as follows.

137.81 - One Compounder is not sufficient with a daily average of 149 patients; it takes a very long time before every one is attended to and on some occasions I have noticed patients leaving the Dispensary before they got their medicine.

3. The average attendance for April was 180 and there is every likelihood of the figure rising hereafter, the average for May up to date being 185.

4. I therefore request that an additional Compounder on Rs 7 per month may be appointed as early as possible.

I have
