OFFICE OF SANITARY ENGINEER,

Fort St. George, *8 July* 189*6*.

From

J A JONES, Esq., MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Chief Secretary to Government,

Local & Municipal Department.

Through the Accountant General, Madras.

SIR,

I have the honor to inform you that the Sub-Engineer in charge of the Cuddapah Survey led me to believe that he would be able to complete the work & that in fact it would be completed with the staff he had before 1st. July 1896. I now find on his return to Madras that there is a considerable portion of the town yet unsurveyed & this is necessary to be done before the Drainage Scheme can be prepared. Had I known this (his diaries led me to believe otherwise) I would have asked for sanction sooner & kept the men on the work. To avoid delay & as the work must be finished I have sent in anticipation of Government sanction one surveyor back to the work & now ask for sanction for the staff as per the accompanying proposition statement.

2.

I propose dispensing with the Sub-Engineers

20

(Mr. DeClossets)services at the end of the time up to which

sanction was obtained viz., 27th. instant.

3. I request Government will be pleased to grant

sanction at once for the proposed staff which amounts to only

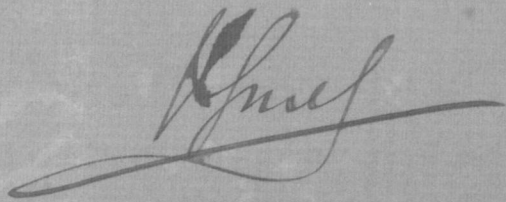

Rs 528 there being a balance of Rs 790/- from the original grant

of Rs 5000 available .

I have the honor to be,

Sir,

Your most obedient servant,

Sanitary Engineer to Government.
