Order. No. 1208 Mm. d. 17/7/96

The levy of the fee proposed by the Municipal Council, in cases of occupation or assignment of municipal land for building purposes, by which is apparently meant the construction of obstructions or encroachments on public streets under Sec. 167 of the District Municipalities Act, is sanctioned in the following remarks:—

x 800 per 1000 sq. ft.

Note
The rate recently fixed in
Municipalities Act. paragraph
167. It should not be 1000
sq. ft. but 1000 sq. ft.
The rate is only an aim

(1) The rate proposed by the Council is ~~too~~ low and should be raised to at least two annas per square yard of area.

(2) The fences should be renewed periodically so that the right of the Municipality to the land covered by the encroachment may not be disputed.

(3) It is presumed that Sec. 169, quoted in the concluding sentence of the Chairman's letter is a mistake for Sec. 167.

Municipal Office, Camp
Tiruvannamalai June 1896

From
Muhammad Raza Khan Esquire,
Sub Collector and Ex-officio Chairman,
Municipal Council
Tiruvannamalai

The Chief Secretary to Government
Local and Municipal
Department
thru the collector of South
Arcot,

Sir,
I have the honor to submit
that the Municipal Council has, at
its meeting dated the 6th instant pro-
posed to levy a uniform rate of eight
annas per 1000 sq. ft. subject to a mini-
mum of one anna in cases of unobjec-
tionable occupation or assignment of
Municipal lands for building purposes.
This will be a means not only to prevent
encroachments in the town but also to
ascertain the right of the Municipal Council
to the vacant grounds between the
houses and the side ditches in public
streets so as not to allow the people
to

Apparently obstruction
encroachments on
public streets under
No 167 of the act are
meant.

to claim prescriptive right over such
lands. This resolution was passed, as
several cases of encroachments have
recently been brought to notice which
have been found to be quite unobjec-
tionable by reason of extensive vacant
lands being available close by and
as it also appeared to the Council that
withholding assignment in such cases
would be a great hardship to the
applicants. In some cases, the extensions
applied for would also, if granted, greatly
improve the appearance of the town.
For these reasons, I beg that you will
be pleased to obtain the sanction
of Government for the levy of the rate
proposed by the local authorities under sections
164, 169 and 267 of the Act of 1864.
A copy of the Council's resolution
is herewith submitted.
I have the honor to be,
Sir,
Your most obedient servant
Subcollector & In-charge
Chairman
