Memo

The site on which the old slaughter house was constructed is now lying a waste. In the Budget, Rs 300 is provided as the amount that can be fetched by its sale. But before the land is sold, Govt sanction has to be obtained and I therefore request the Council to authorise me to obtain the sanction of the Government for the conduct of the sale. The land being limited in extent cannot be used for any other Municipal purpose, & I fear that its location in the midst of the Mahomedan quarters may bring down the value of the land, and yet its being useless to the Municipality it may be disposed off for any price unless the Council propose some means as to how to use it for some public purpose.
