I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above named matter. I am sorry to hear that you are not satisfied with the result of the investigation. The land measuring $300 \times 20 = 6000$ square feet referred to in the Overseer's Statement and required for excavating a supply channel to the Athikolam tank — belongs to us hereditarily and it is included in my purnjah land which measures 2-14-0 Kurukkam. If the 6000 square feet only out of the aforesaid 2-14-0 Kurukkam be given up, the other two sides will become the banks and full of moisture on account of the water current in the channel. I, therefore, consent to give up the whole extent of 2-14-0 Kurukkam. I pay Rs 1-7-0 at 8 annas per Kurukkam per annum. The whole extent of 2-14-0 Kurukkam will yield annually $14 \frac{1}{2}$ Kalams at 5 Kalams per Kurukkam. This being the outturn therefrom, I am willing to part with the land, if I am paid Rs 50 per Kurukkam for both the warans. Nothing less than this will be acceptable. I mean that the price of the land is Rs 50 per Kurukkam and I request to be paid at this rate.
