CHIEF SECRETARY
30 MAR. 1896
MADRAS

To

His Excellency the Governor in Council
Fort St. George.

The humble petition of the villagers of
Dachepalli, Vadikudi, Kesanapalli
Kamalapuram &c.

Most respectfully sheweth,

1. That the Government considering the abnoxious
climate of Dachepalli the bed of malarious
fevers established a hospital in this village
it being the centre of more than 25 surrounding
villages 30 years ago. Now the petitioners learn
to their great dismay and disappointment that
the Taluk Board Virudhonda have passed a
resolution to remove this hospital to Gungala
the present Taluk Head Quarters of Palnad.

2. That daily number of patients attending
the hospital at Dachepalli ranges between
50 and 60, that fevers being rife in this
village and its surroundings the petitioners
most submissively beg leave to state that
a medical institution in this village is so
highly indispensable.

3. That on perusal of the remarks of the
President Taluk Board made at his

inspection of the Hospital at Dachepalli on 5.12.95, noting the advisabilities of retaining a Dispensary at Dachepalli the Board were pleased to pass the following resolution. (dated 21.12.95)

"9. Read remarks of the President Taluk Board, Vinnikonda, made at his inspection of the Hospital at Dachepalli on the 5th December 95 noting the advisability of retaining retaining a Dispensary at Dachepalli if the Hospital is to be removed to Gurgala, the Taluk Head Quarters and the petitions of the inhabitants of Dachepalli and its surrounding villages protesting against the proposal of removing the Hospital at Dachepalli to Gurgala and also the District Medical and Sanitary Officers endorsement N.R. to No ¹²²⁷/_{DSM} of 1895 on the Proceedings dated 9th November 95 of the Hospital Committee stating that a Dispensary with a Hospital Assistant may be had at Dachepalli when the present Hospital is removed to Gurgala."

"Resolution:— The Board would be glad to have a Dispensary at Gurgala and retain the one in Dachepalli if its finances would allow it. There is no prospect of its improving for the present except by savings in Grant III which could be effected if the Dachepalli Hospital is placed in charge of a Hospital Assistant who the Board is of opinion could do for the present"

Now again so soon after that date as only 2 or 3 months the petitioners learn that the Board have rescinded their former resolution and have ordered the transfer of this Hospital to Gurgala without making any provision to keep at least a Dispensary in this village.

That the petitioners beg leave to suggest that in case the finances of the Vinnikonda Taluk Board do not allow the retention of the present Hospital after opening a new one it would be really an act of mercy on the part of Government to have at least a 3rd class Dispensary with a Hospital Assistant on Rs 2.5 per month.

There already exist Dispensaries to the north-west and south-east of Gurgala within the short distances of 12 miles and 10 miles viz. at Sumereode and Karemputy. Now to open a new dispensary at Gurgala the petitioners most humbly venture to state is superfluous. If the Government is of opinion that at the Head Quarters of a Taluk Sahildar a Hospital should of necessity be started the present Dispensary at Karemputy located in a rented building and opened not very long ago may be removed to this village after the Hospital here to is transferred to Gurgala. For which act of kindness the petitioners as in duty bound shall ever pray.

your gracious excellency's

Most loyal and
