Mis dated 23.4.96 I have the honor to report
that both the Taluk and District Boards have
been consulted on the matter and they have
resolved to take the building for the purposes
of a school. I therefore recommend that the
building be transferred to the Local Funds on
the usual conditions that it be handed over
to Government whenever required and the build-
ing be kept in repairs while in possession of

added to the Registration Department,
while the Collector recommends that it should
be converted into a hospital. The Board
considers that it is too large for either of these
purposes; besides there is already a specially built
dispensary close to the Collector's. It could prob-
ably be put to a better use if it were handed over
to the District Board for a District School. Mr.

From

to Mr. Mulla, Esq.

Collector of Kurnool,

To (per Mr. Mulla)

The Secretary to the Commissioners
of Land Revenue, Madras.

Sir,

In reply to Board's reference on General
Register No. 3097 of 16th December 1895, I have
the honor to forward copy of the Head Quarter
Sub-Divisional Officer's report on the Dy.
Tahsildar's Office at Atmakur, Nandikotkur
Taluk from which it will be seen that the build-
ing is not fitted for a Court, Sub-jail, Police
Office, &c, nor can it be suitably extended.
He suggests that it might be converted into
a Sub-Registrar's Office which is at present
located in a private rented building; in
this I do not agree with him. It would be
better to build a new Office for the Sub-
Registrar, attached to the new Deputy Tah-
sildar's Office and to hand over the present
building to the hospital which is next door.

2. Under these circumstances, I request
that the sanction sought for in this Office

for the construction of a new Deputy Tahsildar's
Office on the standard design map/le earlier

Proceedings of the Board of Revenue
(Land Revenue)
Dated 23rd March 1896.

No. 1396 Dis.

Read the following:-

(1) Letter from C. M. Drullaly Esq. Collector of
Kurnool, R.C. No. 674 Magt. dated 4th Dec. 1895; and
the following Reference thereon of 16th Dec. 1895:-

The Collector is requested to obtain the
opinion of the Public Works Officers as to the Con-
dition of the present building and as to whether
an extension of it will not meet present require-
ments:

(2) Letter from the same Officer to the Secretary to
the Commissioners of Land Revenue, Madras,
Dis. No. 202/Ins. of 15th February 1896 and the
following Reference thereon of 25th February 1896:

The Collector is requested to return
the plan of the existing Dy. Tahsildar's Office
at Atmakur forwarded to him with the Board's
Reference of 16th December 1895.

Resolution:-

Submitted to Government with the
recommendation that the proposal to construct a
Deputy Tahsildar's Office at Atmakur in the
Nandikotkur Taluk may be sanctioned.

2. The present building is reported to be a
substantial one, though unsuited to modern
requirements. The Sub-Divisional Officer,

Public

Public

Works Department, suggests that it should be handed over to the Registration Department, while the Collector recommends that it should be converted into a hospital. The Board considers that it is too large for either of these purposes; besides there is already a newly-built dispensary close to the Catcherry. It could probably be put to a better use if it were handed over to the District Board for a local fund school. Atmakur is the most important place in Nandikotkur Taluk, containing nearly 4500/- inhabitants, and a good school in such a locality appears to be a desideratum.
