Endorsement on the 9th Division Assistant
Inspector's No 793/611 dated 15-2-96 for-
warding Calicut Sub Assistant's letter remark-
ing on the Tellicherry Municipal Council's
resolution for the reduction in allotment
for Primary Education.

No 1377

Dated 5th March 1896.

Forwarded (to the Chairman,
Municipal Council, Tellicherry)
2 As observed by the Sub Assistant,
Primary Education in the Municipality
cannot be considered to be in a
satisfactory state. Any reduction
in the allotment for Primary edu-
cation must therefore be detriment-
al to its progress. The Municipality
is bound to provide sufficient
funds for primary Education ~
even at the cost of higher education.
It is therefore requested that the
Council may be moved to re-
consider their resolution on the
Subject.

No. 406
8.2.96

To

The Asst Inspector of Schools,
9 Division.

Sir,

With reference to your endorsement
no. 3979/87 dated 12th January 96 (enclosed) ~
referring for remarks the Tellicherry Municipal
Councils resolution regarding reduction in the
allotment for education, I have the honor to
state that the reduced allotment is Rs 2500.
against Rs 4500, i.e. Rs 2000 less than what it was
hitherto allowed.

2. Primary education is backward in the
Municipality. The Board Schools are located very
near to one another. The teaching staff is far from
what it ought to be. Number of unpassed teachers
is too many as already remarked on by Government
in G.O. no. 1706 M. dated 22nd October 95. Reduction
in the number of Board Schools will lead to
increase in the number of result schools now
very small, viz. 4. To remedy these defects, increased
expenditure is necessary.

3. In G.O. no. 1706 M. dated 22nd October 95,
reviewing the administration report for 94-95,
reduction in the allotment for primary education
does not appear to have been ordered.

4. In December last, I visited the Board
Schools in the Municipality with a view to
submit proposals to reorganise them and also called
for certain particulars from the Supervisor for the
same. In the meanwhile I received the endorse-
ment under reference. The proposals will therefore
have to be deferred pending final settlement
of allotment for primary education.

5. The probable effect of a sudden reduction

To

His Excellency the Governor-in-Council
Fort St. George,
Madras.
