SIR,

With reference to the Government Memorandum No 37 dated 17th January/96 I have the honor to state that the President of the Cumbum Talug Board reports that the villages intervening between Cumbum and Besthwarpet were not proposed to be included in the Cumbum Union, because the house tax which could be levied in them would be insignificant and not sufficient to meet the expenses of the Sanitary Staff required for them.

I am however of opinion that, it is necessary to have a compact block of villages comprising a Union. All houses too poor for taxation can, of course, be exempted. The question of staff must be regulated by the general receipts of the Union and the necessities of the different wards.

The proposal to include the villages of Bestwarpet, Chintalapalaiyam and Somavarapeta in the Cumbum Union cannot be approved, as the first is not situated sufficiently close to the Union centre to be grouped with it, and as the amount of house tax which is likely to be realized in the second and third is so small that the Union panchayat will not be able to effect any appreciable improvement in the sanitation of these villages without relying largely upon contributions from the Taluk Board.

Bestwarpet is three miles from the Union centre which has been held by Govt to be objectionable. Please see the notes and orders in G.O. No. 2245 L of 30-9-92. Only Rs 84 are expected to be realised in Chintalapalaiyam and Somavarapeta in the shape of house tax. This is not enough to maintain even one scavenging cart.
