OFFICE NOTE.

In reply to memorandum
No. 657, dated 15th June 1896, the
Superintendent, Government Press,
regrets that there was a delay
in supplying the first proof of the
budgets referred to, but there was
one cause which was not foreseen,
viz. the exceptional demands made
by the Legislative Department in
February and March last, in
printing lists of amendments,
question papers and bulky
Council Proceedings for the
Legislative Council, also other
legislative papers, which compelled
~~some~~ ^{some} work to be suspended on
several occasions for a few days
at a time.

2. It is further noted that
11 (out of 21) of the Local Funds
Bridget
Reports were received in the Press

within a fortnight (8th to 21st March),
these 11 reports making in
print 616 pages, 7 of them being
in the list forwarded. When
so many bulky papers are
received within such a short
time, some of them must
necessarily be a longer time
in hand than others. The
progression of the budgets was
closely watched to minimize
any delay.

The Superintendent submits
that these budgets will receive
his closest attention later on
in this year, to prevent, if
possible, a recurrence of the
delay complained of.
