SIR,

I HAVE the honor to submit for approval and publication in the Fort Saint George Gazette a Draft Declaration under Section ~~6~~ 6 of Act ~~X of 1870~~ 18/1894 for the Acquisition of 3.50 ~~Acres~~ Cents of land required for quarrying road material required for the Ellore Municipality.

2. The Mokhasadars of the village object to the acquisition of the land and their objection statement together with its English translation is enclosed. The land required is quarry land and the Mokhasadars objection is that it is their means of living. Due regard will be paid to this objection in fixing the compensation, but it does not appear to be a very reasonable one.

I have the honor to be,
Sir,
Your most obedient Servant,

we intend opening our own private quarries in the said land, and protect our families thereby. In this village agriculture is very rare, and families should solely get on by these quarries. The land now required by the Municipality are the most important places of the village, and therefore we are not willing to part with them.
