CHIEF SECRETARY
25 JUN. 1896
GOVERNMENT OF MADRAS

Sir,

18th June 1896.

Sir,

I am directed to acknowledge the receipt of your letter No. 720L Misc., dated the 11th April 1896, with which you submit for approval a copy of the proceedings of the Government of Madras on the suggestions of the Sanitary Commissioner for recasting the form and reducing the bulk of his annual Reports.

2. In reply I am to say that as it does not appear that the Government of Madras desire to press for the changes advocated by the Sanitary Commissioner, and as the form of the Report appears to give general satisfaction, the Governor General in Council would prefer not to alter them at present in the manner suggested.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Hill

SUBJECT.

Stating that the Governor-General in Council would prefer not to alter the form of the Annual reports of the San Comm in the manner suggested by that officer.

(with order)

For orders

The G. of I. say that it appears that this Govt desires to press for the changes advocated, there had better be no alteration for the present. It is submitted that there was no reason to press for these changes, as reasons for altering the report were given in G.O. 2055 L, & the G. of I. merely asked this Govt to report its proposals before issuing orders, & it was not anticipated that objections would be raised without reason assigned & is now done. It is now submitted for orders as to whether the G. of I.'s request (to the Sanitary Commissioner.)
Surgeon-General.

Should be acquiesced in or a further representation made. In the former case the Dept order may be given.

It appears to have been made plain through the San Comm that the Govt should not press the changes. There is no particular reason why the Govt should not acquiesce in the request of the San Comm. It is submitted that the Govt should acquiesce in the request of the San Comm.

In reply to letter No. 156, Home Department (Sanitary) dated 18th June 1896, I am directed to state that Govt is ~~not~~ strongly of opinion that it would be desirable to reduce the ~~bulk~~ bulk of the Sanitary Commission reports, & considers that this would best be effected in the manner proposed in the Proceedings No. 719 L dated 11th April 1896, but that it did not in my letter No. 720 L dated 11th April 1896 of the same date particularly press for the changes advocated, as it was thought the Govt of India understood from the above Proceedings & from G.O. No. 2055 L dated 31st March 1896.

No. 719 L dated 11th April 1896

No. 720 dated 11th April 1896
I am to inform that my letter No. 720 dated 11th April 1896 in these terms owing to the impression that the Proceedings which accompanied it

that this Govt was very desirous
of introducing the changes proposed.

Home Dept. (Sanitary)

Sir,

In reply to Mr. Hill's letter No. 156
Home Dept. (Sanitary) dated 18th June
1896, I am directed to state that this
Government is of opinion that it is most
desirable to reduce the bulk of the
Sanitary Commissioner's report, and con-
siders that this would best be effected
in the manner proposed in the Proceedings
which accompanied my letter No. 720, dated
11th April 1896.

2 I am to explain that my letter,
above referred to, did not specifically
press for sanction to the proposals of
the Sanitary Commissioner as it was
thought that the Proceedings to which it
gave cover and Proceedings No. 2085 L
dated 31st October 1895, copy of which
was forwarded with my endorsement No.
2405 A.L., dated 11th December 1895, suf-
ficiently expressed the views of the
Government as to the necessity for their
adoption.

3 It is, under these circumstances,
hoped that the Government of India will
see fit to reconsider the decision com-
municated in the letter under reply.
