Memorandum

Read the following

Letter from the Collector of Nilgiris, dated 11th June 1896, No. 797.

Adverting to Government Notification No. 165, dated 24th March 1896, I have the honour to request that you will be so good as to inform me whether communications from Ootacamund should be sent to Madras if they relate to Educational, Local Fund and Municipal matters and if so whether urgent and important ones may not be sent directly to you at Stonehousehill. I presume at any rate a discretion is vested in me in this behalf. The notification however is imperative and provides ^{for no} ~~from~~ exceptions.

SUBJECT.

Referring letter from the Col^r of Nilgiris req^d to be informed whether communications from out^r relating to L & M + Educational matters should be sent to Madras or not.

For Order

It is submitted that all communications from Colacacund relating to Local Fund and Municipal matters even in those cases in which they happen to be urgent and important ones should be sent to Madras, as the entire records of the Local and Municipal Department are kept there and no action can be taken by Government at Colacacund until the papers are registered and sent up to Colacacund with references complete.

Mr. Dees has suddenly sent this up with reference to the report he recently submitted about Hobart Dock. In that case considerable delay would have been avoided by sending it here, as the file had been retained here, pending receipt of his reply. The occasions on which it would expedite matters to send communications direct to Colacacund are so few, that it is hardly worth while making any exception. All telegrams are sent to the Chief Secretary & are delivered here, & this consequently disposes of most urgent matters.

The reference has arisen from a single case and that one of no real emergency. There seems to be no reason for changing the rule: of course when a Col^r or Resident thinks any thing very urgent he can send it up direct.

ORDER. No 1309 Lmnd 18/7/96

The Gov^t sees no reason to alter Notification No 165 of 24-3-96 in so far as it relates to Local Fund & Municipal matters. If a Collector or President considers any matter to be very urgent, he may, at his discretion, send it up direct to Colacacund.
