Srivilliputhur
Municipal Office,
No 9888 10th January 1896

From
The Chairman,
Municipal Council,
Srivilliputhur.

The Chief Secretary to the
Government of Madras,
Local and Municipal Department.
Through the Collector of Tinnevely,

Enclosure = 1
statement

Sir,
With reference to your official

memorandum dated 19th December
1895 No 1498 requesting to report on
the revision of the principal tax
registers of this Municipality, I
have the honor to state that on the
receipt of a letter from the Collector
calling for the same information
with reference to Government
Order No 1556 No Local and
Municipal

Received at G.O. No.
1556 M 2/25 9 95.

Municipal, a detailed report was sent to him on the 20th November 1895 in No. 814 D.

2 — The following facts are, however, now submitted for the information of Government:

(1) — The revision of the Auto-tax register was completed by 1.9.95 and demand notices for the first half year issued by 9.9.95.

The gross annual demand on this revision amounts to Rs. 2026 as against Rs. 355 for the second half year of 1894-95 (or Rs. 710 for the whole year).

(2) — The revision of the house tax register was also completed by Mr. Shummuga Sundara Pillay sometime before he left this place for Nellore on the 20th September 1895, with the result that the gross demand

demand of this tax for 1895-96 amounted to Rs. 4,574 as against Rs. 1,780 for the 2nd half year of 1894-95 (or Rs. 3560 for a whole year).

(3) — The Land tax register has also been revised. The description and measurement of lands within the Municipal limits situated beyond the town site were already available in the Office and there was no difficulty in revising this portion of the register. But the measurement and valuation of the vacant lands within the town site was completed only very lately. The gross demand of this tax is Rs. 237 as against Rs. 67 for the second half year of 1894-95.

3 — In order to show the collections under each tax I beg to submit herewith

This is partly due to the arrears of 1894-95 having had to be collected this year and partly to the fact that there was considerable delay in the issue of demand notices for the current year's tax. I beg to state that rigorous measures are, however, being adopted to push on the collections and to bring it to a satisfactory condition. !!

His,

Yours most obedient servant,

for Chairman.

Statement showing the demand, collection and balance of the principal Taxes in the
Greenwich Parkes Municipality for the nine months ending 31st December 1885.
