THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

With reference to para 5 of G.O.No.856 M.Mis, dated the 14th May 1896, I have the honour to state that the last of the papers in connection with the Budget Estimate of the --- Bellary Municipality for the year 1896-97 was received in -- this office from the District Medical & Sanitary Officer, on the 7th March. At this time, there were about 25 Budget Estimates on hand which were received prior to it. These had to be reviewed in order of receipt before the Bellary Estimate could be taken up.

2. In this Presidency, there are 57 Municipalities and 21 District Boards who submit the Medical portion of their --- Budget Estimates to me for review. These documents are received in this office between January and March each year; no definite date being prescribed for their submission and are reviewed by me in the order of receipt. In some cases the Budget Extracts are received either incomplete or wanting in information, thereby necessitating further references before their final disposal; in some instances, the recommendations of District Medical & Sanitary Officers regarding hospitals and dispensaries have to be awaited. Apart from these, the order in which they are submitted to or reviewed by Government is not known in this office to enable me to submit my remarks in such cases in time to appear in the
