The petition of M. Kamaran + 104 others.

We understand that Kuthuparamba Dispensary is to be abolished.

This is the only institution which affords medical relief to the population of ~~rural~~ rural parts like [illegible], Iritti, Kannavam & Manathana. ~~besides~~ ~~relieving the~~ in addition to the aid rendered to the indigent classes at Kuthuparamba.

Moreover this dispensary attends to the wants of many poor persons who come down from Coorg & Wyanad with sickness peculiar to those parts.

Under these circumstances if the rumours about the closing of the dispensary be true, we ~~respectf~~ respectfully request you to be good enough to move Govt. not to take such a step.

Further this dispensary was built by the Prest. ~~Dt~~ L.F. Board from the unexpended surplus of the collections made for the Commemoration of Her Majesty's Jubilee & the sum was specifically handed over to the Prest. ~~Dt~~ L.F. Bd on condition that a dispensary building would be erected & maintained in this place ~~and~~ This institution really confers a boon ~~on~~ on the public.

thro' the Surgeon General

Sir,

In forwarding herewith Copy of a resolution of the District Board passed at its meeting held on the 16th Inst, I have the honor to request that under the Circumstances explained below, Government may be pleased to accord its Sanction for Establishing a Hospital at Angadipuram the Head quarters of the Walluvanad Taluk and a Dispensary at Quilandi in lieu of the one at Nadapuram under the Tellicherry Taluk Board, and reduce the Tamaracherri Hospital in the Calicut Taluk into a Dispensary.

2. In its order reviewing the budget of the Malabar District Board for the Current year, Government with a view to provide funds for allotment on Communications, abolished the 5 Dispensaries named in the margin. The first two dispensaries are the only ones in the Walluvanad Taluk and by abolishing both of them, Government has not allowed a single medical

1 Angadipuram
2 Vaniamkulam
3 Quilandi
Kuthuparamba
Alathur ..

institution for that Taluk. Besides, Angadipuram is the Head Quarters of that Taluk and is a very important Station. It has a Munsiff's Court, a Local Fund Middle School and a Sub Registrar's office. The nearest Hospital to it is Manjeri which is about 14 miles distant from it. From Statement no. XI submitted with the Annual Report for 94-95, it will be observed that 8241 patients were treated at Angadipuram during that year. The only other medical institutions that had a higher attendance are Quilandi (10479), Chavakad (9743) and Badagara (9257). A Hospital is also necessary for the Police Cases arising in the Taluk. For these reasons therefore, the Board is strongly of opinion that a Hospital at Angadipuram is absolutely necessary.

3. As regards the Tamaracheri Hospital now maintained by the Calicut Taluk Board, I beg to state that the attendance at this institution is very small. Only 2769 patients were treated in it during 94-95. It has the lowest attendance in the District with the exception of Triprayar in the Ponnani Taluk. The population of the place is very small and the small attendance at the Hospital is not due to the local population but to a few Estate Coolies on their way from Vayitri to Calicut. For the above reasons therefore, the Hospital at the above place may, without any inconvenience to the public, be reduced to a dispensary. If these proposals be approved by Government, the amount required for maintaining the Hospital at Angadipuram will be allotted from all or any of the available Sources at the disposal of the District ~~Board~~ and Malapuram Taluk Boards. The total amount required for the whole year is Rs 1933. (vide Statement V submitted with the budget for the Current year.) but as two months of the year are already over, the amount required for the remaining period will be Rs $\frac{1933 \times 5}{6}$ or 1610.

4. As regards the retention of the Dispensary at Quilandi in lieu of the one at Nadapuram proposed by the Tellicherry Taluk Board and approved of by the Dist: Board in its resolution already referred to above, I beg to remark that Quilandi is a more important station than Nadapuram. The attendance at the Dispensary during 94-95 was, as already stated above, 10479 which is the highest in the

District. It is the Head Quarters of a Dy Tahsildar and the Dispensary is located in a pucka building erected at Considerable Cost for the special purpose of a dispensary. The Dispensary at Vadapuram, on the other hand, is located in a hired building. The attendance is also very small being only 4589. during 94-95. It is also the newest of the 4 dispensaries under the Tellicherry Taluk Board having been opened in the year 1893. For these reasons the Taluk Board is strongly of opinion that it should be abolished instead of the one at Quilandi ordered by Government to be closed from 1st April 96. The letter of the President Taluk Board Tellicherry forwarding the resolution of the Taluk Board on the subject is enclosed. In this letter, the President Taluk Board also advocates the retention of the Dispensary at Kuthuparamba but the District Board did not agree with this proposal and considered that as Kuthuparamba is only 8 miles from Tellicherry, a separate dispensary at that place is not necessary.

Sancd in G.O. No 122 L&M 22-3-93

The retention of the Kuthuparamba dispensary has since been sanctioned by Govt in G.O. No 1210 L&M 3-7-96.

I have the honor to be

H.M / Mis Order — No 1343 L Mun dt 27/7/96

The reopening of the dispensary at Kuttuparamba has been sanctioned in G.O. No 1210 L dated 3rd July 1896. The remaining proposals of the District Board are sanctioned.

V.A. 12/7/96 WWF 16.7.96 22/7/96.

Note

The proposals now made involve a net expenditure of Rs 1689 as shown below:—

		Rs
Provision originally made in the budget for 1896-97 for a hospital at Angadipuram		1,933
Do. Do for a dispensary at Quilandi		1,516
		3,449
Deduct.		
Provision for the Nadapuram dispensary	Rs 1,160	
Probable savings by the reduction of the Tamrachcri hospital into a dispensary	600	1,760
Net expenditure		1,689

As, however, four months of the official year will have expired before these proposals can be given effect to, the additional allotment required in the current year will be only Rs 1126, and this, it is stated, will be met partly by the abolition of sweeping establishments at certain localities and partly from savings under other heads.
