No. 169. From

No. 169. From
Madras, 31st December, 1895

Surgeon Captain A. B. Grant M.B.
Professor of Hygiene, Medical College

To The Principal, Medical College

Sir, I see from the Notification
by Sanitary Com quoted marginally that the class for
missionaries for the Training of Sanitary Inspectors
Madras on page 583 of Fort St.
George Gazette is announced to commence on the 4th
of 17. 12. 95 part January 1896.
I.B.

On the understanding that I am
intended to deliver the systematic course
of lectures in connection therewith I
have the honour to request information
on the following points.

The whole question as to the
nature of the course, the choice of
lectures and the honorarium for the
same has lately as you are aware been
the subject of correspondence and the
matter is still sub judice. The previous
lecturer who in the capacity of Acting
Professor of Hygiene conducted the
lectures in 1895, has not yet, as I am
informed, received his honorarium for
the three months' course nor indeed has
the final sanction by the Secretary of
State for India been accorded to his pay-
ment for the same.

As I remarked in my minute
dealing with the subject I am willing
to undertake the lectures if requested to do so
but do not consider that there are any
sufficient grounds for accepting a smaller
honorarium

Surgeon Captain
R. Robertson M.B.

Under Secretary to the Government of India.

To.

The Chief Secretary to the Government of Madras.

Calcutta, the 23rd March 1896.

Home Department.

(Sanitary)

Sir,

I am directed to acknowledge the receipt of your letter No. 284 M.-Mis., dated the 17th February 1896, and in reply to say that, in the circumstances explained, the Governor General in Council sanctions the grant for one year only of an honorarium of Rs. 600/- to the Professor of Hygiene in the Madras Medical College, for delivering a course of lectures on Hygiene to a class of Sanitary Inspectors employed under Municipalities in the Madras Presidency. I am to explain that, having regard to the number of Municipalities (27) concerned, it does not appear likely that the necessity for lecturing separately to any considerable number of inspectors will occur annually; and in these circumstances His Excellency in Council apprehends it will be sufficient to sanction the special honorarium for one year only.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Hill

Under Secretary to the Government of India.

1/2nd. 507/96
letter no. 507/96

CURRENT No. 1326M

No. 5078

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Honble the Chief Secretary
to Government, Fort St. George

SIR,

In para 2 of his letter No. 1161
Your dated 10th July 1894, the Surgeon-
General recommended that the
honorarium to be granted to the Professor
of Hygiene and his assistant, &c. for their
extra work in connection with the
Sanitary Inspectors' class be fixed at
Rs 600 and Rs 100 respectively. Accordingly
Surgeon - Captain R. Robertson, I. M. S.,
who delivered the prescribed course of
lectures to the Sanitary Inspectors' class
during 1895 in his capacity as acting
Professor of Hygiene, has, I understand,
been recommended for a remuneration
of Rs 600 - vide G. O. No. 283 Local &
Municipal dated 17th February 1896.

But

But Surgeon-Captain A. E. Grant, the permanent Professor of Hygiene who has been delivering similar lectures during the present session applies in the enclosed copy of his letter for an honorarium of Rs 700 for the course, exclusive of exchange compensation allowance, & the Principal, Medical College strongly supports his application on the ground that the increased remuneration asked for is the same in amount as that allowed to the Lecturers on Comparative Anatomy Physics & Botany, for performing similar duties, & that the work connected with the Sanitary Inspectors' class is on the increase. The Surgeon-General whom I consulted on the point is also in favour of granting Dr. Grant's request. I have the honour, therefore, to request that the necessary sanction may be obtained for the payment of an honorarium of Rs 700 to the Professor of Hygiene for the special work he has been called on to perform, in view of the fact that the admissions to the Sanitary Inspectors' class have increased

+ No. 169
31-12-96

from

from 54 in 1894-95 to 96 in 1895-96, and that the fee collections have also risen from Rs 690 in the one year to Rs 1800 in the other. The Principal of the Medical College will be requested to see that the budget allotment for the Sanitary Inspectors' class for 1896-97, viz. Rs 1000, is not exceeded during the year, but I think that it will be found necessary ere long to increase the above allotment slightly so as to meet the honoraria and the sundry charges connected with the class, the increase being met from the surplus fee receipts expected.

I have the honour to be,
Sir
Your most obedt. Servant,

J. Durian

Again G.O., dated

189 , No.

Current No. 1052M of 1896, dated 23rd March 1896. from the Under Secy. Govt of India.Current No. 1326M of 1896, dated 2nd May 1896 from the Director of Public Instruction.FOR ORDERS.

In G.O. No. 284M, dated 17th February 1896, the Government of India was requested to sanction the grant of an honorarium of Rs. 600 annually to the Professor of Hygiene in the Madras Medical College for delivering a course of lectures on Hygiene to the Sanitary Inspectors' class formed under G.O. No. 1914M, dated 10th December 1894. In the first letter read above, the Government of India sanctions the proposal, but for one year only, as, having regard to the small number of municipalities concerned, it does not appear likely that the necessity for lecturing separately to any considerable number of Inspectors will occur annually. With the second letter, however, the Director of Public Instruction submits copy of an application from Dr Grant, Professor of Hygiene, Madras

Madras Medical College to the Principal of the College for an honorarium of Rs. 700 exclusive of exchange compensation allowance on the ground that the additional work imposed on him is very heavy. The Director supports the application and states that the Principal of the Medical College is also in favour of it. From the Director's letter it appears that the admissions to the class increased from 54 in 1894-95 to 96 in 1895-96 & that the fees rose from Rs. 690 to Rs. 1200. It appears also that the Lecturers on Comparative Anatomy, Physics & Botany in the Medical College are allowed an honorarium of Rs. 700 each for the additional duties they perform in similar to those for which the Professor of Hygiene is to get the proposed honorarium.

V.P. Submitted that the Govt. of India 13/7/96 may be again addressed, pointing out that private pupils, as well as San. Inspectors from Municipalities are admitted to the class. The receipts in 95-96 will be much more than pay for the honorarium proposed. It seems only just

Note
This had to await the return of Rs. 284m 17.2.96 from the judicial Dept. to which two calls had to be sent for the paper

AA
21/7/96

As the class is not so full as it has been in the past and the receipts have been less than in 1894-95 it is not to increase - the only way to continue the present honorarium. For this the sanction of India is necessary. R. R. R. letter is not in the best of taste: the is however remarkable for the date of writing

20/7/96

order No. 1350 Mm 18/13.8.96
The following letter will be addressed to the Govt. of India (Here enter letter No. 1351 M. d/13.8.96)
V.P. 13/8/96
To The Director of Public Instruction
Letter to Govt. of India
No. 1351 Mm 18/13.8.96

Sir,
I am directed to acknowledge the receipt of Mr. Hill's letter No. 90 Home Dept. (Sanitary), d/ 23rd March 1896, and with reference to the latter portion thereof to draw attention to clause (5) of the scheme approved in G.O. No. 1914 M., d/ 10-12-94, from which it will be seen that private pupils, as well as Municipal Sanitary Inspectors, are admitted to the course of lectures on Hygiene on payment of the prescribed fee. I am further to point out that so far from the proposed honorarium to the Professor of Hygiene being required

clause (5) of the scheme approved in G.O. No. 1914 M. of 10-12-94, from which it will be seen

21.8.96

21/8/96

Madras Medical College to the Principal of the College for an honorarium of Rs. 700 exclusive of exchange compensation allowance on the ground that the additional work imposed on him is very heavy. The Director supports the application and states that the Principal of the Medical College is also in favour of it. From the Director's letter it appears that the admissions to the class increased from 54 in 1894-95 to 96 in 1895-96 & that the fees rose from Rs. 690 to Rs. 1,800. It appears also that the Lecturers on Comparative Anatomy, Physics & Botany in the Medical College are allowed an honorarium of Rs. 700 each for the additional duties they perform in similar to those for which the Professor of Hygiene is to get the proposed honorarium.

Submitted that the Govt. of India may be again addressed, pointing out that private pupils, as well as San. Inspectors from Municipalities are admitted to the class. The receipts in 95-96 will much more than pay for the honorarium proposed. It seems only just

Note
This had to await the return of Rs. 284 1/2 from the Judicial Dept. to which two calls had to be sent for the paper

AD
21/7/96

As the class instead of falling off has been doubled and the receipts have more than done so to - it is to increase - it is any rate to continue the present honorarium. For this the sanction of India is necessary. Dr. Rank's letter is not in the best of taste; this is however remarkable for the date of writing
