BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 1ST JULY 1896, No. 153.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from G. E. L. CAMPBELL, Esq., Acting Collector, North Arcot, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Chittoor, 29th May 1896, Dis. No. 843-Eng. :—

I have the honour to submit the programme of famine relief works for 1896-97 in the usual forms A (will follow), B and C, which have been prepared in accordance with the instructions issued from time to time.

2. The programme provides labour for 22 per cent. of the total population of the district for three months. The provision made in all the taluks and divisions except Arcot and Wandiwash taluks is generally sufficient to afford labour to nearly 20 per cent. of the population of the taluks and divisions concerned. In the case of Arcot and Wandiwash taluks, the provision falls short of the prescribed minimum by 4 per cent. As, however, large provision has been made in the neighbouring taluks of Walaja and Póluru, the coolies that may be in need of work, may find work in these taluks. The provision made in Arni Jaghire shows an increase of 28 per cent. as compared with last year. Provision has been made in this division under the head, Land Improvement works, as remarked in Board's Proceedings, dated 2nd August 1895, No. 242.

3. Excluding the two additional * works available for famine relief in Chittoor and Gudiyattam taluks, the other works entered in statement A cover an expenditure of Rs. 35,58,998, of which more than 8 lakhs represent outlay to be incurred on irrigation works, eighteen lakhs represent the estimated expenditure on road works and eight lakhs represent the amount to be spent on miscellaneous works, consisting of construction and repair of fresh water-ponds and of village chavadies and cattle pounds, removal of prickly-pear and the sinking and repairing of wells.

4. The District Forest-officer has proposed certain forest-fencing works for Rs. 15,100, but as there is no information in the statement furnished by that officer as to whether his proposals have been approved by the Conservator (*vide* Board's Proceedings, dated 7th June 1892, No. 411 and 9th January 1893, No. 4), the works have not been included in the current year's programme. The District Forest-officer will be addressed in the matter and steps will be taken to include these works in the next year's programme, if the Conservator approves them.

Reference on the above, dated 10th June 1896.

The Collector is requested to state when the programme (statement A) will be submitted. It is already two months overdue.

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Collector of North Arcot.
