My dear Sir,

On the 1st May I received G. O no 678 M. Mis dated 22 April 1896 where Government considers that the most desirable course for the present is that the Divisional officer should remain in charge of the municipality. I beg with great deference to represent the following to you. I need not tell you how heavy my divisional charge is and how much arrears I had to get through. You are yourself aware of the whole state of things. Even after all the exertions I have taken, I have not yet been able to get through the Summary suits; and a considerable quantity of revenue business still remains in arrear. I have been working as much as I can do

Ever since I received the order, I made strenuous attempts to see if I can manage the municipality without detriment to my other work. I have failed so far & hence I write to you.

I hope you will kindly realise my position and pass such orders as you think desirable.

Yours sincerely

CURRENT No. 1294 M

To
His Excellency the Governor
in Council, Fort St George
Stonehill, Ootacamund.

Your Excellency,

We, the undersigned members of the Municipal Corporation, Madura, respectfully beg to bring to Your Excellency's benign consideration the fact that soon after the Revenue Officer of the Division Mr R. Ramachendra Rao assumed charge of the office of Chairman, he made a permanent delegation of his powers to Mr G. Srinivasa Rao, a first grade pleader, as he (former) found it impracticable to attend to the duties of the Municipality in addition to his responsible and onerous duties of a Divisional Officer, and more especially at a time when he has to devote his whole attention to the Jamabandi and other connected work.

Permanent delegation was objected to as such a Course was not only opposed both to the letter and the spirit of Section 32(2) of Act IV of 1884, but also undesirable in the interests of the Municipality, and when a proposal was brought by one of the Councillors questioning the powers of the Chairman to make a permanent delegation, he represented to the Council that he had no time whatever to attend to Municipal work, and sought as a special case the sanction of the Council for the Course he has adopted; this was no doubt given, but it appears to be one of doubtful legality.

Having thus delegated his powers, the Chairman Deputy Collector is moving about the Division, consisting of two big and important taluks and attending to his legitimate work, whilst the Chairman Delegate who is a professional man leaves now and then the Head Quarters on professional duties. The result is that neither the Chairman nor his Delegate is in a position to look after the Municipal work properly.

In these circumstances we most submissively beg that Your Excellency will be pleased to give back to us the privelege of electing our own Chairman, or to appoint an honorary chairman, as a temporary measure, till the question of conceding the privelege we seek for at Your Excellency's hands is settled one way or the other.

We beg to remain
