President, Taluk Board,

Sir,

Please see portion marked on page 16 of G.O. 515 L/17-3-96

I have the honor to request that you will be good enough to move Government to reconsider my budget proposal to increase the pay of the head clerk of this Taluk Board from Rs 22 to Rs 30 per month.

2. The circumstances which urge me to make this request are as follows. The present incumbent in the post of head clerk to this Board is a thoroughly efficient clerk, and does his work most satisfactorily. Now that he has been denied an increase of pay in this Office, he had naturally turned his ambitions in another direction and has applied for a post in the Revenue Department as Revenue Inspector on Rs 35 a month, which is at present vacant. Being fully convinced of the man's capabilities

not conscientiously stand in the way of his advancement and so I recommended him to the Collector for appointment to the above mentioned vacancy. There is every prospect that his application will be successful, and if it is, I despair of being able to procure another clerk equal to the responsible duties of Taluk Board head clerk on the pay of Rs 22 – (Rs 19-12-10 net, after deducting pensionary contribution). The recent case of embezzlement by the Head clerk of the Tellicherry Taluk Board is a striking illustration of the danger which I foresee.

3. The difficulty is, at present, enhanced by the fact that our budget allotment for travelling allowance for Local Fund establishment has been largely curtailed, on the ground that the work must be done at headquarters by the Vice-President, when I am absent on circuit. The Vice-President, (the only man available here) is the Sub-Registrar of the place, and he has heavy duties of his own to attend to, so that he must perforce rely, to a large extent, on the Taluk Board Head clerk. Hence arises an increased necessity for an [illegible]t of a thoroughly reliable clerk and

while admitting that the integrity of a clerk does not always vary in direct proportion to the rate of his pay; I am of opinion that it will be well nigh impossible to obtain the services of an efficient and reliable man, at the present rate of pay.

4. With a view to curtail the expenditure of the Board I now propose to reduce the present Sweeping establishment. Enclosed is a list showing the no: of sweepers at present entertained, which appears to be unjustifiably large considering the existing state of the Board's finances. The list also shows the no: of sweepers whose services I propose to dispense with. The total saving to the Board by this retrenchment will amount to Rs 480 per annum. I am satisfied that this reduction of establishment will not, to any appreciable extent, be prejudicial to the interests of sanitation in these taluks. Arrangements will be made for a more careful supervision of the remaining sweepers, and I anticipate that in this way we shall find the same amount of work done at a much less cost to Local Funds.

5. I request that out of the savings thus effected an increase of pay to our Local Fund head clerk at

at the rate of Rs 8 a month, as recommended in my budget proposals for the current year, but disallowed for want of funds, may be Sanctioned. I am fully convinced that this small increase of expenditure will, by enabling us to procure the Services of an efficient head clerk, be an actual economy in the long run. With all deference, I beg to Submit that even Rs 30 a month is, in my opinion, a very small remuneration for the efficient performance of the responsible and onerous duties of Taluk Board head clerk. I have, therefore, the honor to request that you will kindly move Government to reconsider the matter, and to Sanction my present proposal, which I venture to make in the assurance that it is likely to prove a great advantage to the administration of local funds by this Board.

I have the honor to be,
