OFFICE OF SURGEON-GENERAL

Madras, the *13* July 1896.

From
SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.I.,
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To
THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Local and Municipal DEPARTMENT.
SIR,

In returning your Endorsement No. 745 dated the 29th June 1896, I have the honor to state that in my opinion it--- will be ~~very~~ conducive to a better and more efficient working of the Main Hospital at Tellicherry, should the Hospital--- Assistant now in subordinate charge of the institution be--- replaced by a Civil Apothecary.

2. The proposal having ^{already} met with the approval of the Municipal Council the Chairman recently applied to me for a Civil Apothecary of the lowest grade and I enclose a copy of my reply to him for the information of Government.

3. Apart from the facts mentioned therein, as recruitment for the grade of Civil Apothecary has been abolished and as the Junior men now on the list will soon be entitled to a higher rate of pay, I consider that unless the Municipality is prepared to employ an Apothecary without reference to his ~~grade~~ grade it ought to fix the pay of the appointment and take--- steps to secure the services of a private man whose Medical qualifications should not be less than the L.M. & S. degree of an Indian University.

I have the honor to be,
Sir,
Your most obedient Servant,
C. Sibthorpe
Surgeon-Major-General,

Enclosure. 1

In a letter from the Chairman
Municipal Council Tellicherry
to the Chief Secretary to Govt
Fort St George dated 15 June 96
No 255.

Copy of a letter from the Secretary, Surgeon-General
with the Government of Madras, to the Chairman, Municipal-----
Council, Tellicherry, No. 3445, dated the 29th June 1896.

With reference to your letter No. 256 dated the 15th
June 1896 requesting the Surgeon General to post a Civil----
Apothecary of the lowest grade to the Municipal Hospital Tellicherry, I am desired to state that there are only 9-----
Apothecaries of this grade on the establishment and all these
are employed either in independent charges or in appointments
where they draw extra allowances-so that there is no unemplo-
yed Junior Apothecary available to be placed at your disposal.
2.

I am also desired to point out that as charge-----
allowance is not admissible at Tellicherry, unless the pay of
the appointment is fixed and is more than the grade pay of
the subordinate required there can be no inducement to any--
apothecary to accept the appointment or continue in it for---
any length of time.

3. Should the finances of the Municipality not permit
of this, steps should be taken to advertise for a private man
whose Medical qualifications should not be less than the ----
L.M. & S. degree of an Indian University.

Secretary, Surgeon General
