Sir,

I have the honor at the reiterated request of Mr. J. P. Purohotkar, a Municipal Councillor of this Municipality, to move the Government and obtain sanction for the supply of Stationery from Municipal

of this Municipality, to move the Government and obtain sanction for the supply of Stationery from Municipal

for his use.

2. He has applied to me for the stationery, but I have refused asking him to point out any ruling or authority on the subject.

3. A similar request was also made during my predecessor's time by another councillor Messrs. K. Venkatasubrahmanyam and his request was not complied with under the same ground.

I think a councillor can afford to give his previous

time gratuitously for the good of the people requiring stationery of a trifling value compromised in my humble opinion, his dignity.

5. The two councillors who have made the request are elected by people.

6. I therefore solicit orders of Government on the subject.

I have the honor to be

Referring to your letter no. 370 dated
18th May 1896 to the Chief Secretary to Govern-
ment, Local and Municipal Department,

what amount of stationery it may reason-
ably be supposed that each Councillor
will use in the course of the year for
purely Municipal purposes.

The request put forward by M. R. K. T. Pa.
- riahottama Row Pantulu involves an
expenditure of Municipal funds and should
therefore be submitted to the Municipal
Council for a resolution.

misc. Order No. 1423 Mms 21.8.96
For the reasons assigned by
the Collector at the close of para. 2 of his
letter, the municipal council's pro-
posal cannot be sanctioned.

11/8/96 W.D. 17/8/96

The proposal made is not and I cannot
be asked. It is not unduly to
include such a precedent.

17/8/96
I quite agree - this is
even more opposed to L.S.G.
than the way in which T.A. is
framed at
