I have the honor to submit the following for the information of Government.

1. All the works under reference that were left unexecuted last year and also those that were sanctioned for this year are fully completed and the whole allotment with the exception of savings made therein, by strict and careful supervision duly spent. The Local Committee consisting of Mr. R. Ry. K. L. Sarasimhatom - Juntulu gam and Mr. R. Ry. N. Seehagiri, after having resigned their concern in the matter, the business was solely managed under my direct control and supervision under resolution no. 265, 23-3-95.

2. The whole business was originally expected to be completed before the end of October last, but for the heavy rains that were raining

They were however completed subsequently.

I submit here for the consideration of Government that Mr. Marjoni Banks the present executive engineer of the District and several other officers that happened to see these roads lately have expressed their satisfaction at the condition of the roads under reply.

3. Copies of Council's resolutions nos. 265, 23-3-95 and 160, 19-10-95 in which Mr. H. A. Stuart and Mr. J. P. Bedford the then divisional officers were present respectively are also herewith forwarded for the information and favourable consideration of Government.
