Enclosure No 2.

In a letter from the Chairman,
Municipal Council, Cuddalore,
dated 22nd July 1896, No. 220.

Municipal Councilors' Office,

No. 220

Cuddalore, 22nd July 1896.

From,

Dr. R. P. V. Srinivasa Rao, Surgeon,

Chairman, Municipal Council,

Cuddalore.

I,

The Honorable J. H. Caird,

Secretary to Government,

Madras.

Sir,

I have the honor to forward herewith,
Copy of a resolution passed by the Council at
their meeting held on the 6th Instant, with

reference to the letter No. dated 11 March 1896,

concerning the budget of the Municipality for

1896-97, and G.O. No. 595 Dr. Ins., dated 31st

Idem, containing the remarks and suggestions

of the Surgeon-General regarding the provision

made in the budget for Medical Services.

As regards the proposal of the

Sanitary

Sanitary Commissioner, in his letter embodied in G.O. No. 404, Dn., dated 11 March last, for reorganizing the sanitary staff, the Council prefers the establishment, which has been provisionally sanctioned in the above G.O., to stand for the present.

3. The suggestion of the Surgeon-General of opening a dispensary instead of a hospital for women and children is approved by the Council. The cost of maintaining the dispensary is estimated at Rs. 2000 against Rs. 2850 provided for the hospital.

4. As the dispensary in question is not likely to be opened till some time in August next, provision for the establishment required in connection with it has been made for 8 months only.

5. The strength and cost of the Establishment are given below:-

1 Lady Apothecary on Rs. 70 a month for 8 months Rs. 560...

1 Dispenser on Rs. 9 a month for 8 months Rs. 72.

1 Female attendant on Rs. 6 a month for 8 months Rs. 48.

1 Man on Rs. 8 a month for 8 months Rs. 64.

Rent of building in which the dispensary is proposed to be located at 7 Rs. a month Rs. 84.

Cost of medicines Rs. 500.

Dispensary expenses Rs. 200.

Couchees Rs. 100.

Total Rs. 1584.

6. The difference Rs. 384 between the amount provided in the budget for the hospital and that allotted for the dispensary proposed to be opened in its stead will be added to swell the estimated closing balance (Rs. 2970) of the current year.

7. I have forwarded to the President, District Board, a copy of the resolution passed by the Council on the question of opening a dispensary for women and children, and the decision of the Board on the matter, when

when received, will be communicated to Government.

8. The Council considers that a midwife on a salary of Rs. 12 and a nurse on Rs. 6 per mensem should be attached to the Dispensary and Old Town Dispensaries respectively. These appointments were in existence in 1895-96, but abolished when the budget for the current year was considered by the Council with the view to provide the funds required for the hospital which was proposed to be opened for women and children.

9. In the budget sanctioned by Government for the current year it was proposed to put the dispensary in Tripura under the charge of a 3rd class hospital assistant instead of a 1st class man, but as the Surgeon General and the present District Medical and Sanitary Officer are not in favour of the change, provision has been

Made

made for the employment of a Medical Subordinate of the latter class in the dispensary in question.

10. A proposition statement of the additions to, and the alterations in, the Medical Establishment is herein enclosed for the sanction of Government.

I have the honour to be,

Sir,

Your most obedient servant,
