Letter from the Executive Engineer, Kistna Northern
Division, No. 214 S.E. dated 9th July 1896.

With reference to your No.822 K.N.dated 1-7-96
authorising charge for scrutiny of bathing ghat estimate,I
have the honour to enquire whether this is a legitimate charge

2. Under the old rulings (Vide Madras Code Chapter VII
Para 955 F) the charge for scrutiny was included in the charge
for Establishment and Tools and Plant. The India Code leaves
the Local Government to make its own rulings and I am not
aware of any Local rule upsetting that quoted. If there are
any rules I have the honour to request that I may be furnish-
ed with a copy.

3. I am of opinion that the charge for scrutiny need not be made when Establishment and Tools and Plant are charged for.

Endorsement thereon by the Suptg. Engineer II Circle
No. 1046 K.N. dated 23rd July 1896.

Forwarded to the Chief Engineer, P.W.D. in reference
to G.O. 1727 W dated 10th June 1896.

2. The estimate for the bathing ghat on the anicut was sanctioned in G.O. 257 I dated 20.3.64, and the work is being carried out by the P.W.D. with the usual charges for supervision.

3. In these circumstances the Suptg. Engineer agrees with the Executive Engineer that no charge should be made for ^uscrutinizing the estimate.
