Sir,

In forwarding herewith an Extract from Proceedings of the Municipal Council dated the 31st ultimo, I have the honour to request the sanction of the Government to the Compounder therein referred to being paid at Rs 12 per mensem under the following circumstances:-

The late Compounder who was on the receipt of Rs 12 per mensem having been dismissed for misconduct, the present man was appointed in his place at the recommendation of Surgeon Captain Danovan. He was, I understand, led to expect that he would draw his pay of Rs 12 per mensem. But in accordance with G. O. N^o 1677 dated 11th September 1888, he can draw only Rs 9 per mensem for the first 5 years' service. He however declines to serve on these conditions. It was therefore resolved by the Council to ask the Civil Surgeon to advertise for the services of a trained Compounder
