The Honorable F. G. Price I.S.D.

Sir,

In para: 3 of L. O. n^o 446
of 14th March 1896. on the Budget Estimate
of this Municipality for 1896-97 is stated
"Budget will also be taken for a loan
of Rs. 50,000 from Provincial Funds towards
the cost of the Darjiling Water Supply
works in accordance with the Budget Estimate
of Provincial loans for 1896-97"

As this amount has not
yet been transferred to the Municipality
I have the honor to request that
the Accountant General may be authorized
to place the amount, as well as the
grant of one lakh of Rupees which
has been allotted in the Estimate
of Provincial loans for 1896-97 for
the Water Supply of this town

FOR ORDERS.

Mr. Welch has just commenced the preliminary survey in connection with the water supply scheme, and it does not appear likely that the works will be commenced before the close of the current official year. The loan of Rs. 50,000 provided for in the budget can be granted only on a formal application.

15/8/96
17/8/96
Govt. may wish to transfer the grant or part of it to some other Ministry before the end of the year. It is submitted that it is no good giving the money now. The Council already has a large sum at its disposal for expenditure on water supply, as well as Rs 50,000 in fixed deposit for 6 months. & if the money is granted now, the Council will get interest on it, but this hardly compensates sufficient reason

I don't see the use of giving the loan of Rs 50,000 until it is wanted, as the Mil. will have a way into it - But the sum of Rs 50,000 may as well be given at once. Govt. gains nothing by keeping it in its balance in the treasury as it will certainly be wanted sooner or later & may as well be given at once.

25/8/96

the disposal of the Co. Chairman Council
the Council will place the money in the fixed deposit account of the Branch Bank of Madras, at Co. Chairman, if it be not required for immediate use.

I have the honor to be,
Sir,
Your most obedient Servant,

W. R. Ramanathan
Chairman.

with the revision of the contract coming
up would perhaps be as well to give
the loan whilst Gov. has the money.

The Contract comes out we shall

be cut as close as I can
