Office of the District Medical and
Sanitary Officer, Nellore

11th June 1896

From

Surgeon Major W. H. Thornhill. M.D.
District Medical and Sanitary Officer, Nellore.

To

The Secretary Surgeon General with the
Government of Madras.

Sir,

I have the honor to bring to your notice that
in the Surgeon General's letter No 209 dated 13th March 1896
to the Secretary to Government Local and Municipal
Department, being his remarks on the Budget of this
District, and also in G.O. No. 622 L Nis dated 30th March
1896 (communicated with your letter No. 2157 dated 16th
April 1896) there is no mention made of the compounder's
pay, vide para 61 of the letter from the President Nellore
District Board accompanying the Budget for 1896-1897
(embodied in G.O. No. 288 L dated 13th February 1896).

It is obviously unfair that a compounder in one
Talug should get Rs 9 and a man in another Talug of
the same District should receive only Rs 7 per mensem for
similar work; I therefore recommended that they should
receive a uniform rate of pay, viz: Rs 9 per mensem be-
the minimum rate recommended in para 7 of Surgeon
General's letter embodied in G.O. No. 1677 L dated 11th September

1888. The proposal was approved by the Taluk and District Board Presidents, and provision made accordingly in the Budget for the current year; it was previously recommended by my predecessors and myself in former years without success.

I presume it was omitted by the Surgeon General through an oversight and I request he will kindly move Government now to sanction it from the 1st April 1896.

I have the honor to be,

Sir,

Your most obedient servant
