1. Letter to

CHINGLEPUT DISTRICT BOARD'S OFFICE,

Ref. on No. 581 of 1896

SAIDAPET, 4th July 1896

From

G. S. Forbes Esquire

President of the District Board,

Chingleput.

To

The Chief Secretary to Government
Local and Municipal Department
Madras

The local fund head accountant who was sent to the Accountant General's office at Madras on some official business was paid a travelling allowance of Rs 5-6-6. The treasury security collector objects to this charge on the ground that Madras is outside the jurisdiction of the Chingleput district board and requires the sanction of Government.

under art 1136 of the C.R.

2. The occasion of the head accountant's journey was to save unnecessary correspondence and delay by explaining in person at the Accountant General's office certain discrepancies in the accounts

accounts and thereby effect certain necessary agreement. I have therefore the honour to request that sanction to the charge may be procured.

3 In this connection, I would bring to the notice of Government that, from the close proximity of Madras to Saidapet, it is often found economical to send by peons heavy tappals to the Government office and other Presidency offices and to the Press in Madras which does the Boards' printing works. The peons have also to visit various parts of that town circulating to the District Board members who reside there - papers connected with the monthly meetings. On these occasions, they have to halt for days together there and if they are denied batta for those days it becomes a real hardship. In these circumstances I request that Government will be pleased to accord general sanction to

to pay railway fare and batta to clerks and peons who may be despatched on business to the Presidency town.

I have the honour to be
sir,

Your most obedient servant

Sanctioning as a special case the payment of the travelling allowance in question ruled ^{that} Local Fund Establishments should not be taken out of the District to which they belong. If, however, it is held in view of its close proximity to Madras, that the circumstances of the Chingleput District are special, there would perhaps be no objection if general sanction were accorded to the despatch of peons to Madras in the circumstances mentioned by the President. The necessity, however, for a similar general sanction in the case of clerks, is not apparent, as the occasions on which they may be required to proceed to Madras on duty, must be rare and special sanction to the payment of their travelling allowances could be obtained from time to time according to the circumstances of each case.

2. I may mention in conclusion that as Madras is within 5 miles of

Saidapet, officers travelling thence to Madras, would not be entitled to any travelling allowance except the amount spent by them in railway fare (Article 1157, Civil Service Regulations) and that for the same reason no daily allowance would be admissible for halts at Madras.

I have the honor to be,
Sir,

Your most obedient servant,

The payment of travelling allowance
to the Local Fund Head Accountant for
his journey to the Accountant General's office
is inadmissible under Article 1157 of the
Civil Service Regulations. He will, however,
be permitted to draw the actual amount,
if any, spent by him in payment of tolls
or Railway fare.

2. General sanction will now be
accorded for payment of travelling allowances
or Railway fare admissible under the Civil
Service Regulations to Local Fund Clerks
and Peons in the Chingleput district pro-

The District Board's office at Savelapeta is no longer within
5 miles of Fort St. George but Peons have to travel more than
5 miles when they take papers to the Peon or to the house of
District Board members. Moreover, some of the members of
the Savelapeta and Tirumala Taluk Boards also live at
Madras and the Taluk Board's office are bound to travel
respectively. There is no harm in granting the Peon
sanction for journeys also which would save considerable
inconvenience.
