To
The Honorable The Chief Secretary
to the Government of Madras
Madras.

Honorable Sir,

We, the inhabitants of (1) Velgode, (2) Abdullapuram, (3) Boyaravula, (4) Mothkur, (5) Velpanur, (6) Reddigudem, (7) Gumthakunthala, (8) Vempenta villages situated near each other at distances varying from 1 to 6 miles in Nandikotkur Taluq, Kurnool District, most respectfully beg to state that we are extremely grieved to receive an unfavourable reply to our urgent prayer for the retention of the Velgode [illegible] and respectfully beg to resubmit the following facts without exaggeration or overstatement for your kind and sympathetic consideration.

(1) Velgode is almost equal to the biggest and most populous village in Nandikotkur Taluq.

(2) All the above-named villages

vide G.O. 979 L / 28-5-96

villages are close to the Eastern Ghauts, Velgode being only 8 miles to the west of it. Most of us go and remain on the hills for felling and removing timber, as timber trade is largely carried on here — also for grazing cattle, cultivation &c. Under such circumstances all the (4) people of these villages generally, and specially those who go to the hills, are frequently attacked with Malarial and other diseases against which the Velgode Hospital has hitherto afforded us great relief and help.

(3) Nandyal is 20 miles to the South and Atmakur [illegible] miles to the North of Velgode (and not 15 and 10 respectively as stated) the Hospitals in those two places are practically of no service to us, generally owing to their great distance from here, and in important and emergent cases they are absolutely of no use to us. For instance, we beg to specially bring to your notice that quite recently there were three cases of difficult childbirth in Velgode, and one in the adjacent village, which would have ended fatally, but for the prompt assistance rendered by the Hospital

hospital assistant who had to operate and remove the dead foetuses to save the mothers' lives. Cases like these where assistance is wanted at the houses of patients, we do not have the least hope of assistance from Nanjangud or Atmakur.

(4) In conclusion, we humbly beg to add, that we have been highly enjoying the benefits of [illegible] since it was placed here, as we live in unfavourable and unhealthy places we have appreciated it and we value it. It is for this purpose that we sent petitions to the District Surgeon, District Collector, Surgeon-General and more than once to the Government, praying that the Dispensary may not be closed. We are told that the District Surgeon and the Surgeon-General have recommended its retention [illegible] we gladly pay all the [illegible] imposed on us. Thinking that our benevolent and paternal Government cares for our welfare

(5) We therefore most humbly

and earnestly pray that owing to the comparatively small amount required for the maintenance of the Dispensary, we shall not be deprived of it which renders such timely and much needed assistance. and that you will be graciously pleased to cancel the order of abolition and issue orders for its retention. For which act of justice and benevolence we shall always be deeply grateful.

We have submitted this our last petition in English so that it may be read and fully brought to your kind notice.

We beg to remain
[illegible] Honourable Sir
Your most obedient servants
