PRESIDENT DISTRICT BOARD,

KURNOOL,

Kurnool, dated 2^d August 1896.

Local & Municipal Dept.

CURRENT No. 2182

To

THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
FORT SAINT GEORGE.

SIR,

in No 1411 L
7-8-96

Adverting to para 2) of my footnote
No 21, dated 13th July '96 to the Special Inspection
report of the Inspector of Local Fund Accounts,
I have the honor to state that the District Board,
at its meeting held on 29th July 96, resolved to
entertain two special Overseers and two lascars
on Rs. 40 and 7 each respectively per mensem
for a period of 6 months to measure the stock
of materials (famine and other) throughout the
district and render a complete and correct ac-
count of the same to the Local Fund Engineer.
The necessity for this establishment arises from
the fact that the materials-at-site account has
not at present been kept correctly in the Local
Fund Engineer's office as pointed out by the
Inspector and the Engineer has much diffi-
culty in rectifying it without a special staff.
The importance of maintaining a correct ac-
count to give the Engineer an effective control
over the expenditure cannot be overrated. The
sanction of Government is therefore solicited
for the temporary establishment proposed
above.

2) A proposition statement for the revision
of the establishment and a copy of

District Boards' Resolutions are herewith sub-

mitted.
