Enclosures

Sir,  
In para. 3 of G.O. no. 446 dt. dated 19 March 1896, it was intimated that the application for the loan of Rs. 23,000. referred to in my letter dated the 25 January 1896 "should be renewed towards the middle of the ensuing year, when the probable savings in the Budget Estimate can be ascertained".

2. Of the loan of Rs. 23,000, Rs. 12,600 referred to Water Supply extensions, which the Government in para. 3 of Order no. 1041 dt. 26 June 1896 observed should not be expended as a large scheme of Water Supply was under consideration. Eliminating Rs. 12,600 the loan applied for is reduced to Rs. 10,400 for the works detailed in the Statement Enclosed.

3. The works are as shown in para. 4 of my letter no. 332 dated 29 April

80 1041 dt. 20.6.96.
