6. Read endorsement dated 9th April 95 of the President District Board, Malabar, Communicating Copy of Proceedings of the Madras Fort 10652 L. O. dated 4th April 96 declining to sanction the proposal to extend the distance of the hospital Assistant's quarters from the dispensary from 200 yards to quarter of a mile and ordering that in cases in which it is impossible for hospital Assistants to have a suitable quarters within the prescribed distance the Taluk Boards concerned should build free quarters with the least possible delay.

The Board has at present no funds whatever with which to undertake the construction of Residences for hospital Assistants. If it becomes ultimately necessary to build them the Board has to provide funds either by effecting economies otherwise or by asking for a grant from the District Board funds. The Board would like to be advised previously that the dispensaries concerned

Concerned are intended to be permanent institutions.
The Hospital Assistants will before any other
steps are taken be called on to report at once
whether it is absolutely impossible to obtain
a dwelling within the prescribed distance.

To,

The Chief Secretary to Government
Local and Municipal Office
Madras

Sir,

In forwarding herewith copy of a
resolution of the Palghat Taluk Board passed
at its meeting held on the 30th April last, I
have the honor to request that I may be
informed if the two dispensaries at Kollengode
and Imprayar under that Taluk Board may
be considered as permanent institutions. In G.O.
No. 652. L. mis dated 4th April 1896, Government
declined to relax the condition that the build-
ing in which the Hospital Assistants reside
should be within a distance of 200 yards from
their dispensaries and directed that, in cases
in which it is impossible for them to hire suitable
quarters within that distance, the Taluk
Boards concerned should build free quarters
with the least possible delay. In accordance
with

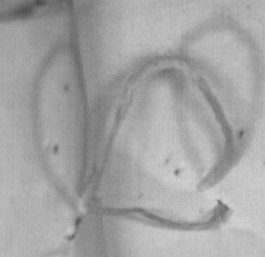

Co with the above order the Salubritas Board
asked the two Hospital Assistants to report
whether it was not possible to obtain a dwelling
within the above distance. The replies received
from the above Officers show that it is absolutely
impossible to get hired buildings within that
distance. The Salubritas Board accordingly wants
to construct free quarters but before doing
so it desires to know whether the two dis-
pensaries above referred to are intended by
Government to be permanent institutions.

I have the honor to be,
Sir,
your most obedt servant

Hum. For orders

The Taluk Board apparently
~~thinks~~ that the Government may
without consulting it, order the closing
of the dispensaries in question, as it
did with certain other dispensaries
in para. 4(4) of its order No. 515 L of
17th March 1896.

As far as ^{is at} ~~possible~~ ^{practicable} the institutions referred to may be considered permanent.

It may be necessary to close them in
order to provide more funds, but such
a contingency is ^{very} remote & ~~cannot be~~
~~foreseen~~ and unlikely - certainly as regards
Jutland's ^{Kottbusch?} resolution, the Bd. suddenly
wishes to express its annoyance at not
being consulted before the issue of
9.6. 515 L
17.3.96. Otherwise the request
for such information wd. be futile,
as the Bd. is in just as good a
position to know as Govt.

Word In apparently is a letter of
27.7.96 Remonstrance. The Bt. said
he felt that Govt. has no
interest in section of requiring
the closing of either of
these churches. 20
