12th August 1896.

From Rev. J. Nazarus B.A.
Danish Missionary, Copenhagen.

To the Hon.^{ble} J. F. Price
Chief Sec^y Govt. of Ark. & La.

Sir, I have the honor to request that you will be pleased to permit the Municipality to sell me the small piece of waste land, referred to in the accompanying rough sketch. It is about 1001 sq. ft. and lies between the road and two walls of my compound, forming a small triangle. The Municipal authorities in whose charge the land is, have carefully surveyed it and recommend that it be sold to me. At present the land lies waste, overgrown with grass, and is a refuge for cats and the commission of nuisance, especially at night. It is chiefly to avoid this inconvenience that I desire to buy up the useless ground. There need be no fear that its sale will in any way affect the traffic on Atkinson Road. As shewn in the sketch, it may be ascertained by surveyors, there is sufficient space between the road & the limit of the land marked thereon in the sketch. Besides traffic here is very small, - on the sketch. Besides traffic here is very small, - Rindall's Road being the great thoroughfare between G. more & Vepery -

The Municipality - having lumped my application with half a dozen others, the Government had no means of judging this case on its individual merits - I therefore hope that Government will be pleased to consider this application and grant me a favourable reply, for which I shall feel deeply thankful.

I remain Sir

your most Obedt Servant

John Lazarus
Missionary
