Ref. No. 766 of 2-7-96

The President of the Board is requested

to report the reasons for the Board's

inability to undertake the construction

Copy of letter no 719 of 30th July 96 from
the President, Salub Road Madras
to the President, District Board Cuddapah

Referring to your footnote reference 842
of 1896 of 22nd July 96 on G.O. no 766 of
2nd July 96 I have the honor to state
that the inability therein referred to is
due to want of funds. The Board's
provision for feeder roads during the year is Rs 200.
The Salub Road is not satisfied with the
Road estimated prepared this year and has
referred them to the Engineer for revision
and suggested various economies in petty
supervision and the time during which
coolies are employed. If these are adopted
the Board expects to have a fair sum which
it proposes to lay out on feeder roads
in the manner considered most
advantageous by the Special Officer

deputed to report on this subject
